EUT Housing and Board View 3

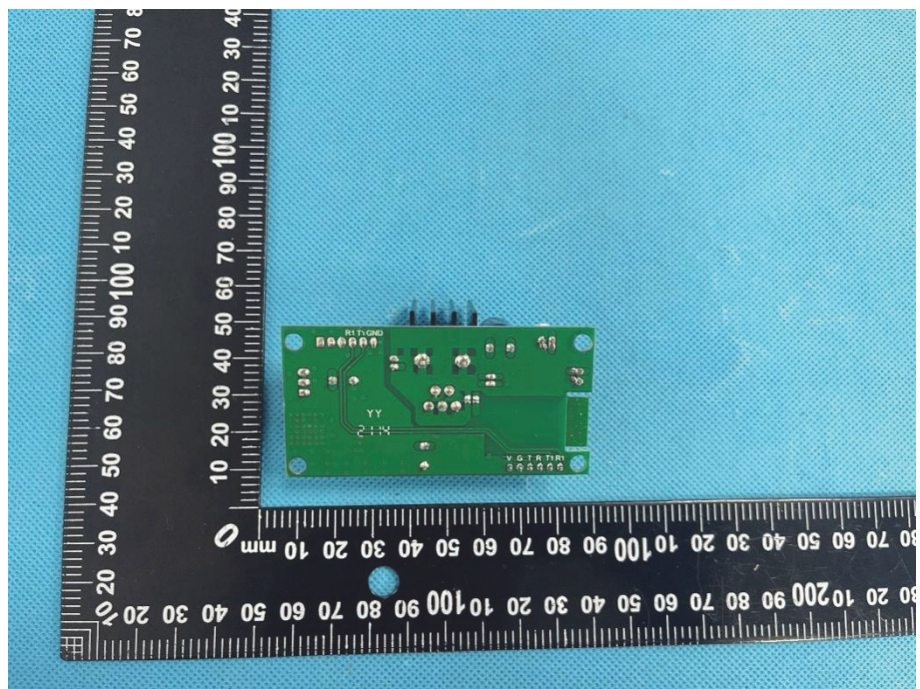

Solder Board-Component View 1

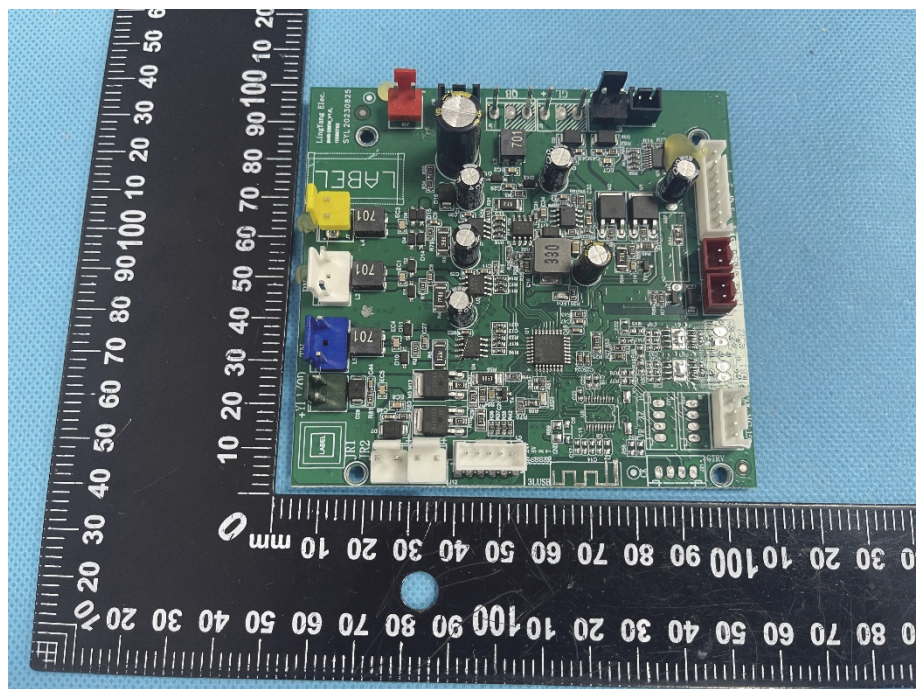

<p>Solder Board-Component View 2</p>	 A photograph of a green printed circuit board (PCB) component with various electronic components soldered onto it. The board is rectangular and populated with several integrated circuits, resistors, and other surface components. It is placed on a blue textured surface next to a black L-shaped ruler for scale. The ruler shows measurements in millimeters, with the vertical edge ranging from 0 to 100 mm and the horizontal edge from 0 to 100 mm.
<p>Solder Board-Component View 3</p>	 A photograph of the same green PCB component from a different perspective. This view shows a different set of components, including a prominent black integrated circuit with several pins extending upwards. The board is again placed on a blue textured surface next to a black L-shaped ruler for scale, with the vertical edge of the ruler ranging from 0 to 100 mm and the horizontal edge from 0 to 100 mm.
