

<p><b>Solder Board-Component View 8</b></p>	 A photograph of a green solder board component with a black rectangular area in the center. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters, with the component's length being approximately 100 mm and its width approximately 60 mm. The board has several small components and a connector on the right side. Text on the board includes "Langfang Elec" and "3333ZA".
<p><b>Solder Board-Component View 9</b></p>	 A photograph of the same green solder board component from a different perspective, showing the back side. The board is placed on a blue textured surface next to a black ruler with white markings. The ruler shows dimensions in millimeters, with the component's length being approximately 100 mm and its width approximately 60 mm. The board features various electronic components, including a small chip and a connector, and traces of solder. Text on the board includes "C 88888" and "88888".
