

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1

Solder Board-Component View 1

<p>Solder Board-Component View 2</p>	 A photograph of a green printed circuit board (PCB) component, labeled 'View 2'. The board is rectangular and populated with various electronic components, including several integrated circuits, resistors, and capacitors. It features two white connectors on the top edge and two on the bottom edge. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom.
<p>Solder Board-Component View 3</p>	 A photograph of the same green PCB component, labeled 'View 3'. This view shows the reverse side of the board, which is mostly blank except for a large, square, silver-colored component in the center. The board is placed on the same blue textured surface next to the same black ruler. The ruler is oriented vertically, with the 0 mark at the top and the 200 mm mark at the bottom.
