

<p>Solder Board-Component View 15</p>	 <p>A photograph of a small red PCB component with a circular black pad and two thin wires, placed next to a metric ruler on a blue textured background. The ruler shows measurements in millimeters, with the component positioned between the 100mm and 120mm marks.</p>
<p>Solder Board-Component View 16</p>	 <p>A photograph of a larger PCB component with various electronic components, including capacitors and a yellow wire, placed next to a metric ruler on a blue textured background. The ruler shows measurements in millimeters, with the component positioned between the 100mm and 120mm marks.</p>
