

<p>Solder Board-Component View 21</p>	 <p>A photograph of a green printed circuit board (PCB) with various components and traces. The board is placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically on the left and horizontally at the bottom. The board features several gold-colored pads, a central component, and various traces.</p>
<p>Antenna View 1</p>	 <p>A photograph showing a red PCB component connected to a circular coil antenna. The antenna is a multi-layered spiral structure. A red box labeled "Coil Antenna" is drawn around the spiral, with a red line pointing to it from the text. The component and antenna are placed on a blue textured surface next to a black ruler with white markings in millimeters. The ruler is oriented vertically on the left and horizontally at the bottom.</p>
