United States and international patent pending. All Rights Reserved. Designed by iHip. Manufactured in China.</p> <p>Limited One Year Warranty. Please visit www.iHip.com for warranty information, to register this product, and to activate your product warranty.</p> <p>Important Information: Protect the environment by responsibly disposing of your product. The wheeled bin symbol indicates that the product must not be disposed in the domestic waste as it may contain substances that could be harmful to the environment and health. Please use proper recycling facilities when disposing of the item.</p> | <p>FCC Statement:</p> <p>This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none">• Reorient or relocate the receiving antenna.• Increase the separation between the equipment and receiver.• Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.• Consult the dealer or an experienced radio/TV technician for help. <p>Caution: Any changes or modifications to this device not explicitly approved by manufacturer could void your authority to operate this equipment. This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.</p> | <p>Safety Precautions:</p> <ul style="list-style-type: none">• Keep the earbuds away from dust, oil, and water. Store in a dry and ventilated environment to avoid product performance issues.• If there is a connection issue or function issue, please do not replace any of the accessories, otherwise the warranty will not be valid.• Please use the standard charger that is supplied with the product.• Please fully charge your product before first use.• High volume use may affect your hearing.• Do not use while driving or cycling. Take precaution when walking the street.• Do not put heavy weight or pressure on the earbuds as it may cause damage. <p>Warning:</p> <ol style="list-style-type: none">1. Electric Shock Hazard: To reduce the risk of fire or electric shock, do not expose the earbuds to rain or moisture.2. Do not charge the earbuds overnight or leave the product unattended.3. Do not modify, disassemble, open, drop, crush, puncture or shred the product. |
