RE: Short Term Confidentiality Request For BioWaveGO Model # BWG-S

To Whom It May Concern:

In accordance with sections 0.457 and 0.459 of CFR 47, **BioWave Corporation** requests short-term Confidentiality of following sections of this application for a period of 45 days after grant is issued.

**Test setup photos**

**External photos**

**Internal photos**

**User's manual**

These documents contain detailed system and equipment descriptions and related information about the product, which **BioWave Corporation** considers to be proprietary, confidential, and a custom design and otherwise, would not release to the general public. Since this design is a basis from which future technological products will evolve, **BioWave Corporation** feels that this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give our competitors an unfair advantage in the market.

Please contact me if there is any information you may need.

Sincerely,
