

Manufacturing marking and labels

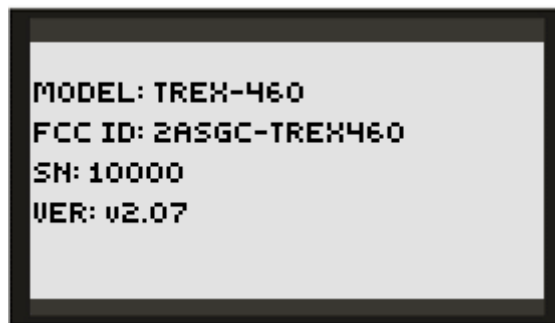

TReX serial number label can found on the unit, also serial number and model information are displayed on start-up or accessible via:

MENU->SYSTEM->FACTORY or MENU->SYSTEM->REGULATORY

FCC Regulations allow for electronic labelling.

FCC details can be found via:

MENU->SYSTEM->REGULATORY

***Note: Publication number 784748-D01, FCC-Part 90 allows for devices with integrated display to not require a printed label on the device holding this information.**
