

ZINGO RACING

Mini Rockslide 1:24

6+

INSTRUCTION

Thank you for choosing our toys! Please read through this instruction manual before use as it contains all the information you need to know about how to correctly, joyfully use this product.

CAUTIONS:

- . Electric Product
- Do not give this product to children aged 6 or below. Like other electric products, this product is also to be used in a safe way to avoid electric shock.
- . Adult's Supervision Required
- Warning! Do not try to modify this product, which may void your right to use it.

Carefully remove items from package.

The truck requires 3 "AA" 1.5V batteries (not included). When changing batteries, adult supervision is required. Use alkaline batteries for the best performance.

Locate the battery compartment on the bottom of the truck and the side of the remote controller and remove the battery cover doors. Insert "AA" 1.5V batteries in truck, and 2X1.5V "AA" batteries into controller and replace the battery compartment doors and screws. Use tool to press the fastener and release the battery door for the remote controller.

FCC ID : 2ASGE9031

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:
 (1) this device may not cause harmful interference, and
 (2) this device must accept any interference received, including interference that may cause undesired operation.

Switch both car and remote buttons to "I" position.
 For best result use the car on hard surfaces such as wood or tile

- Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries.
- Insert batteries using the correct polarity.
- Do not short-circuit the supply terminal.
- Remove batteries when not in use. Recycle or dispose of exhausted batteries according to federal, state, and local laws. Do not dispose of batteries in a fire - they may leak or explode.
- Only use manufacture specified battery(ies), charger(s) and/or adapter, if applicable, specified by the manufacturer.
- Always use, replace, and recharge (if applicable) batteries under adult supervision.
- Keep these instructions for future reference.

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation. KEEP THIS INSTRUCTION MANUAL AS IT CONTAINS IMPORTANT INFORMATION FOR FUTURE REFERENCE. Due to continuous product improvements, the pictures on this manual may differ slightly from the actual product.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.
