

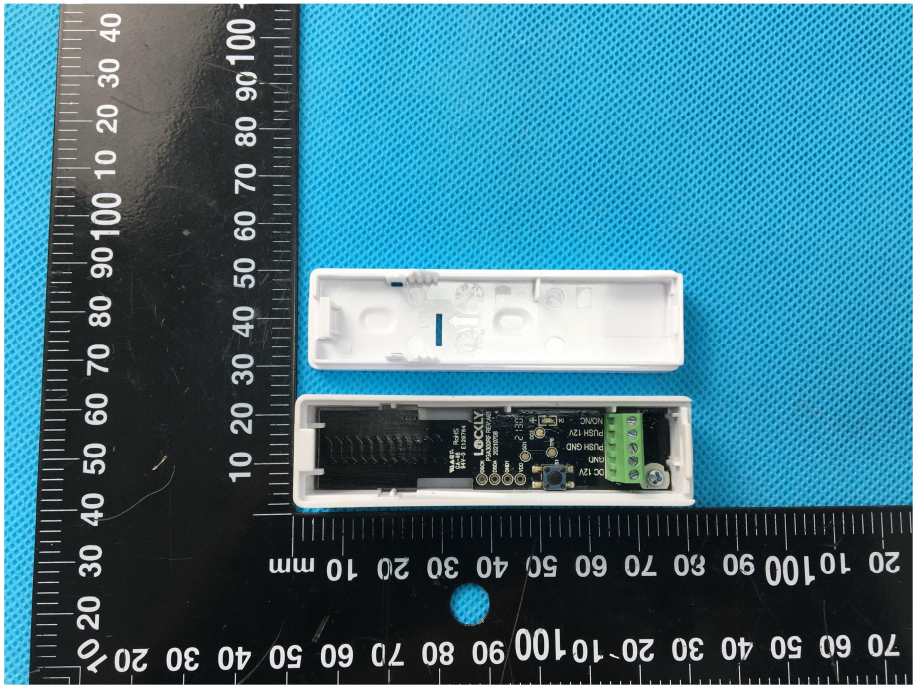

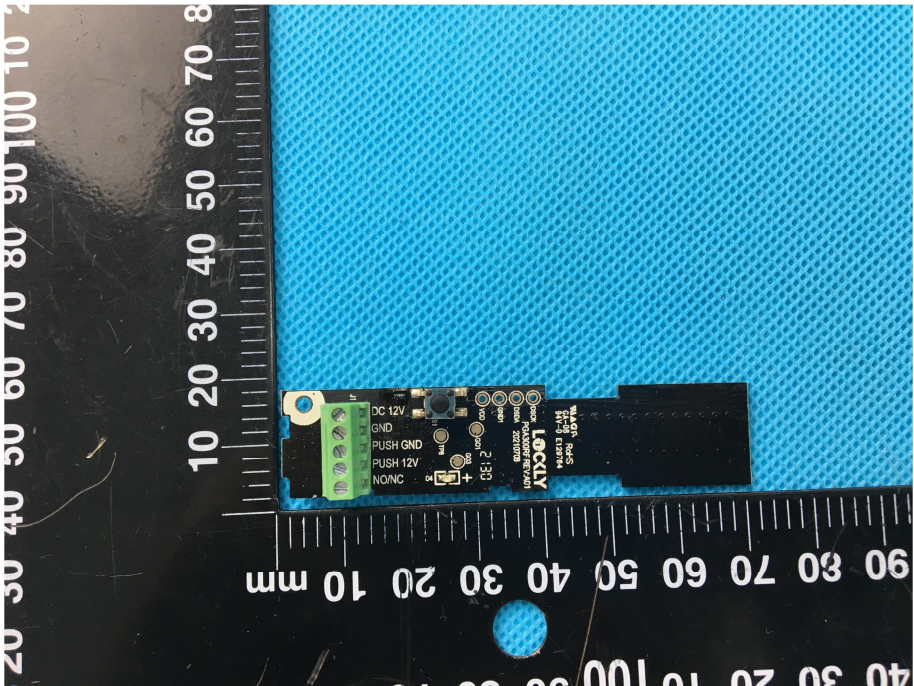

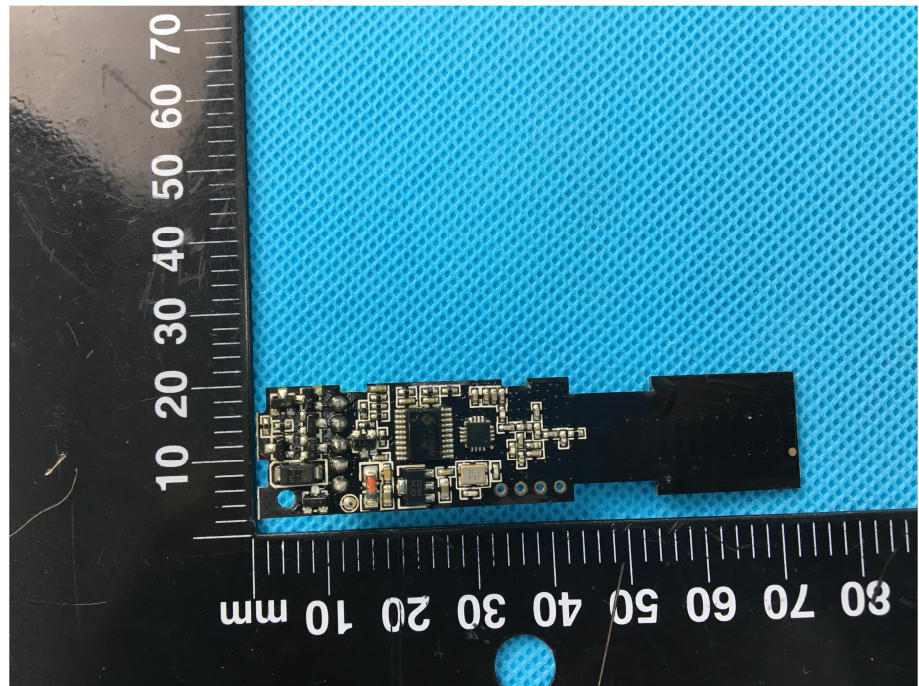

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the EUT housing and board assembly. The white plastic housing is open, revealing the internal circuit board. The board is populated with various components, including a green terminal block on the right side. A black ruler is placed horizontally below the assembly, and a blue textured surface is visible in the background.
Solder Board-Component View 1	 A close-up photograph of the soldered board component. The circuit board is shown with various components, including a green terminal block on the left side. A black ruler is placed horizontally below the component, and a blue textured surface is visible in the background.
