<p style="text-align: center;"><b>Solder Board-Component View 1</b></p>	 <p>A photograph of a green printed circuit board (PCB) with various electronic components. The board is positioned vertically next to a black ruler with white markings. The ruler shows measurements in millimeters, with the top edge of the board aligned with the 0 mark. The board features a central integrated circuit, several resistors, capacitors, and a blue electrolytic capacitor. The board is set against a blue textured background.</p>
<p style="text-align: center;"><b>Solder Board-Component View 2</b></p>	 <p>A photograph of the same green PCB from a different perspective. The board is positioned vertically next to a black ruler with white markings. The ruler shows measurements in millimeters, with the top edge of the board aligned with the 0 mark. The board features a central integrated circuit, several resistors, capacitors, and two red LEDs. The board is set against a blue textured background.</p>
