

<p style="text-align: center;">Solder Board-Component View 6</p>	 A photograph of a rectangular black PCB component with a large black square in the center. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's length being approximately 100 mm and its width approximately 40 mm. There are three circular holes on the left side and one on the right side of the component.
<p style="text-align: center;">Solder Board-Component View 7</p>	 A photograph of a circular PCB component with a QR code and various electronic components on its surface. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's diameter being approximately 25 mm. The QR code is located in the center of the component.
