

<p style="text-align: center;"><b>Solder Board-Component View 6</b></p>	 <p>A photograph of a small green PCB component. The component is rectangular with a notch on the right side. It features several circular pads and a central pad. Text on the component includes "PGD6/7 7WAVE REV:00 20200903" and "LOCKLY". On the right side, it says "MJD-D WJAS4U-0 E357163 RoHS". The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements from 10 to 60 mm vertically and 10 to 70 mm horizontally.</p>
<p style="text-align: center;"><b>Solder Board-Component View 7</b></p>	 <p>A photograph of a larger green PCB component. The component is irregularly shaped with a large circular hole in the center. It has various components soldered onto it, including a large black chip, a white connector, and several smaller components. Text on the component includes "220505" and "LOCKLY". The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements from 10 to 100 mm vertically and 10 to 80 mm horizontally.</p>
