

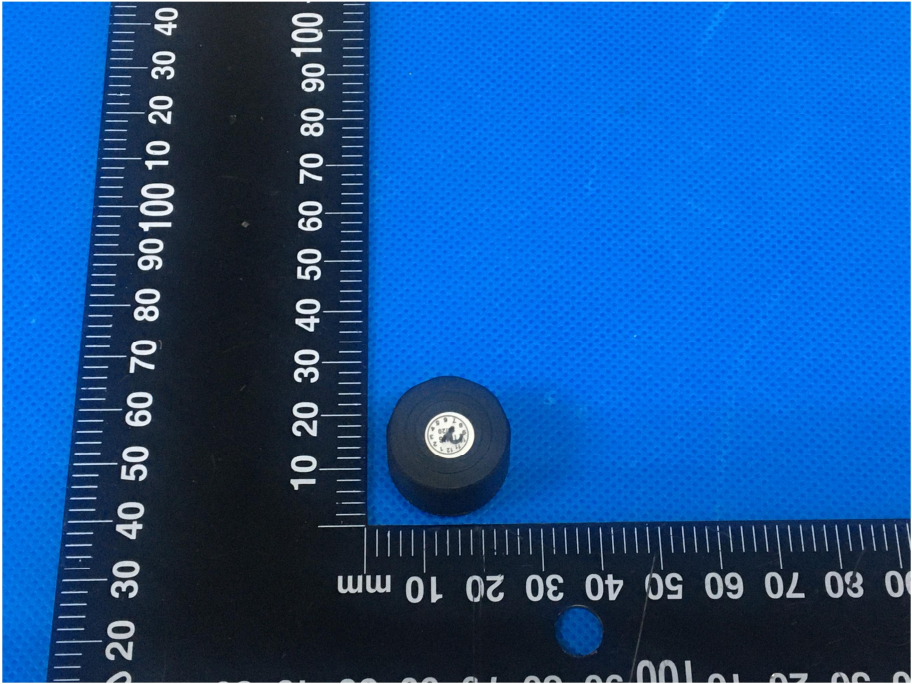

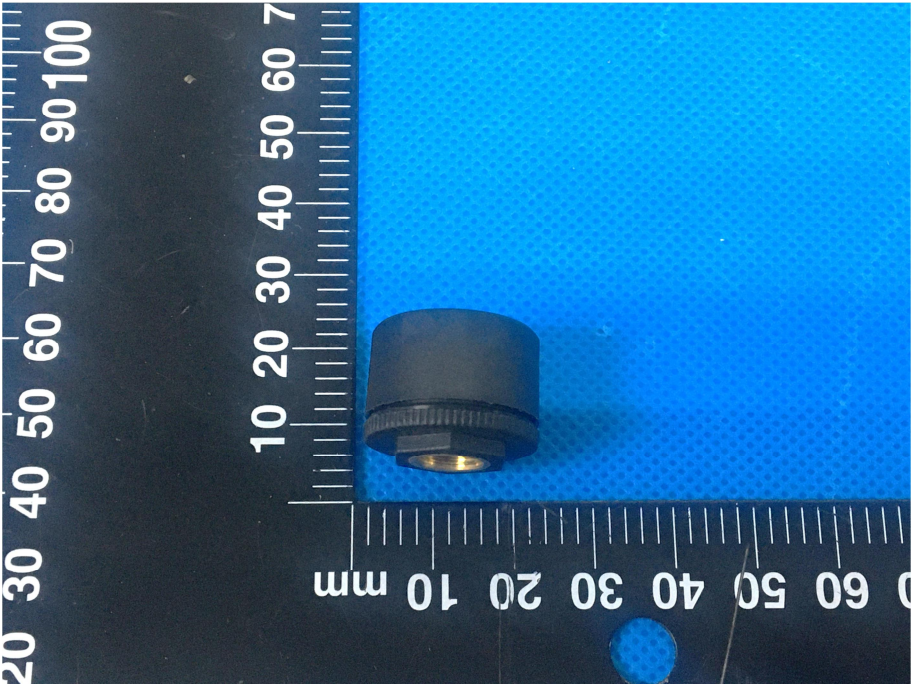

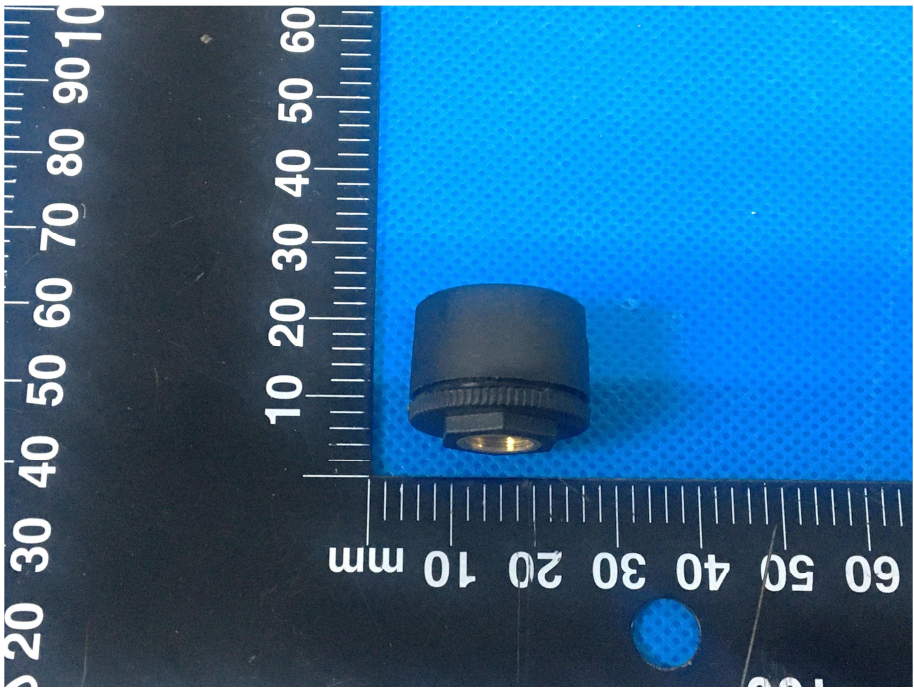

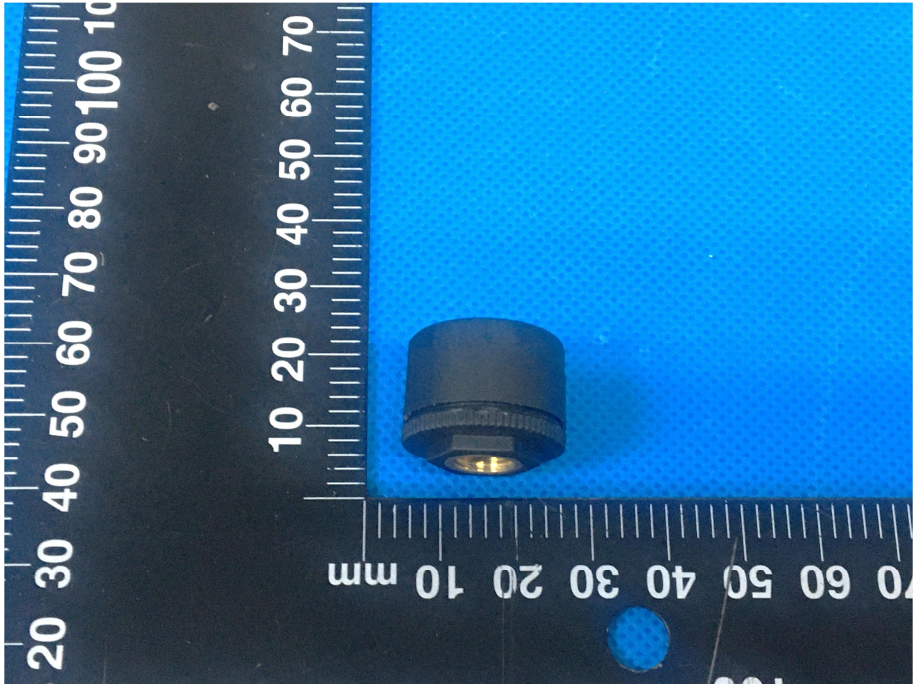

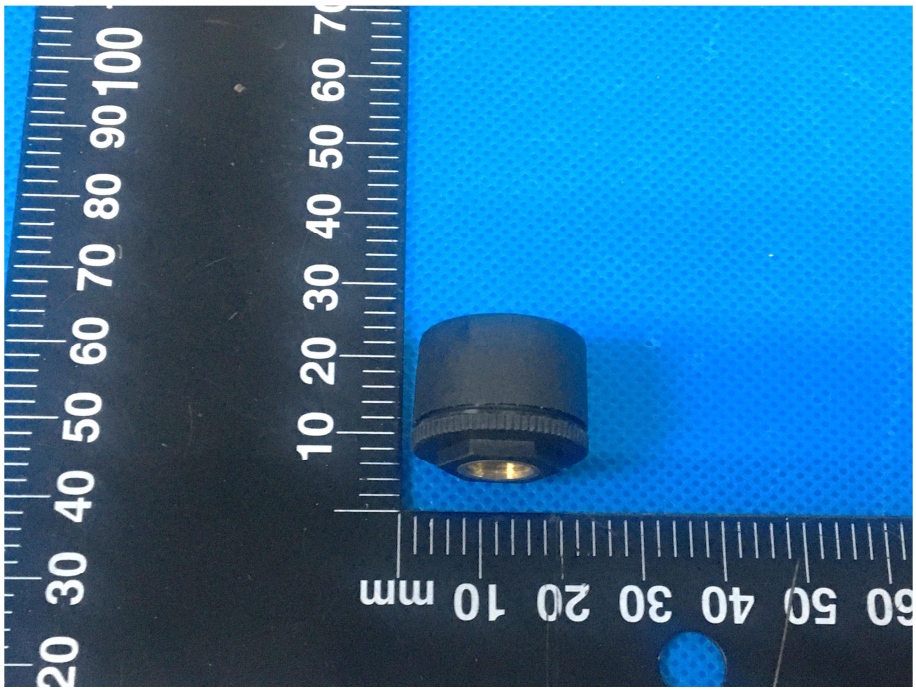

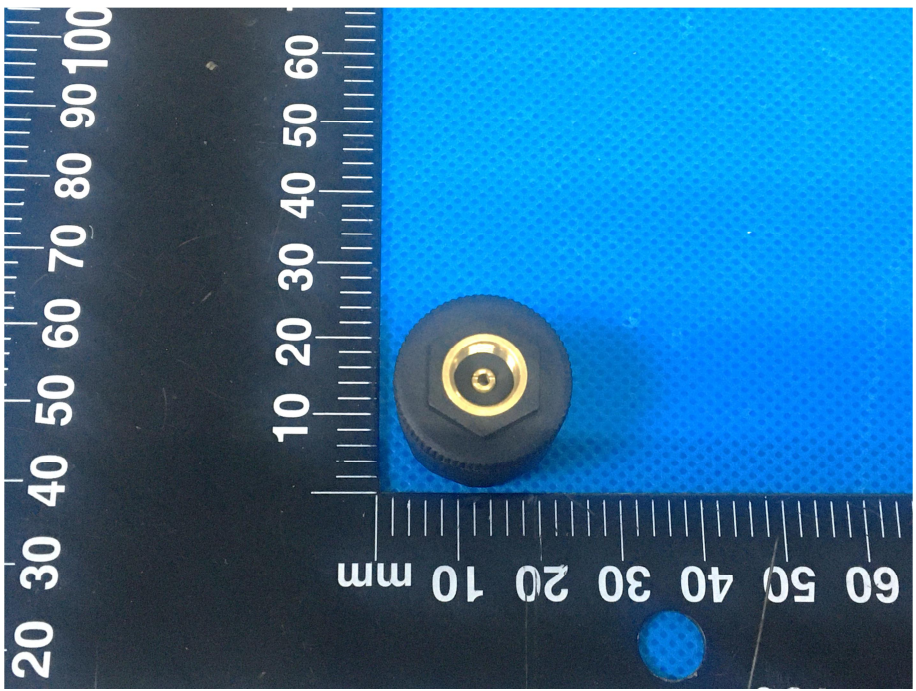

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

EUT View 1	 A top-down photograph of a small, black, cylindrical electronic component. The component has a silver-colored circular center with some markings. It is placed on a blue textured surface. To the left of the component is a black ruler with white markings, showing measurements in millimeters and centimeters.
EUT View 2	 A side-view photograph of the same black cylindrical component. It shows the component's profile and the silver-colored base. It is placed on a blue textured surface. To the left of the component is a black ruler with white markings, showing measurements in millimeters and centimeters.

EUT View 3	
EUT View 4	

EUT View 5	 A side view of a black cylindrical component with a gold-colored base. The component is positioned next to a metric ruler on a blue background. The ruler shows measurements in millimeters, with the component's length spanning approximately 10 mm.
EUT View 6	 A top-down view of the black cylindrical component showing the gold-colored base. The component is positioned next to a metric ruler on a blue background. The ruler shows measurements in millimeters, with the component's diameter spanning approximately 10 mm.
