

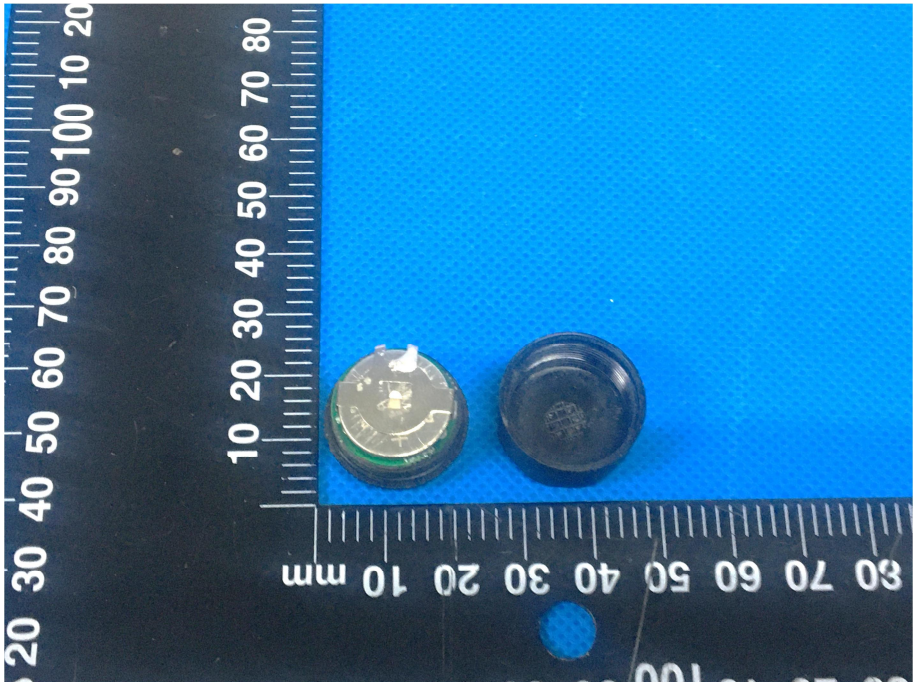

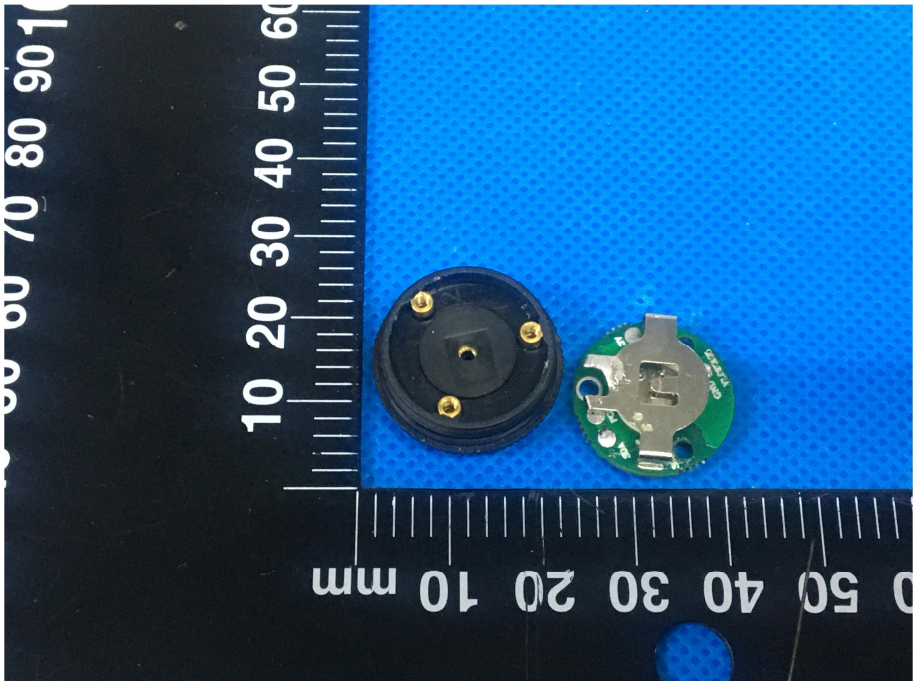

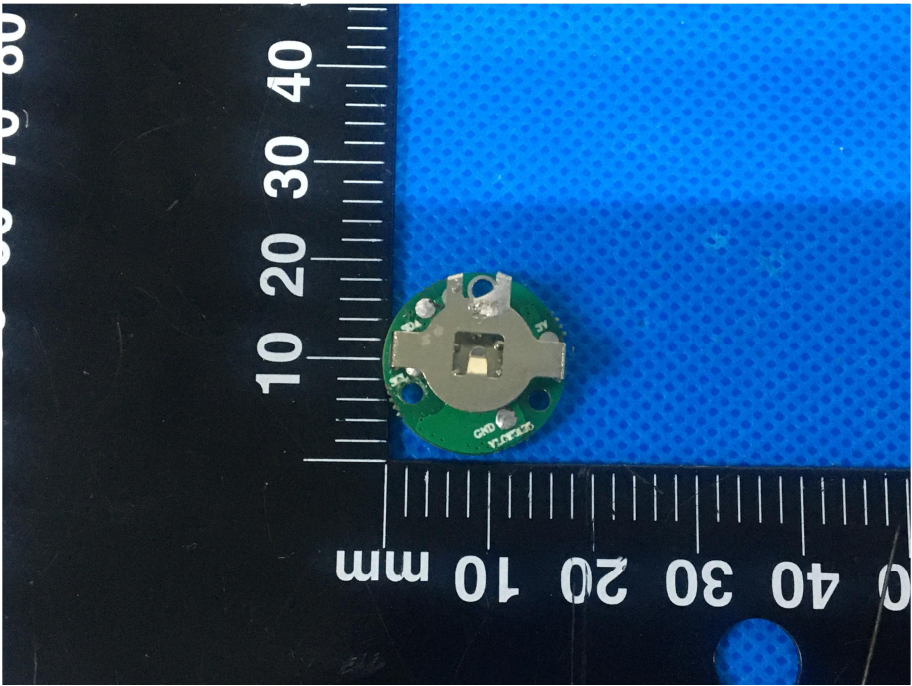

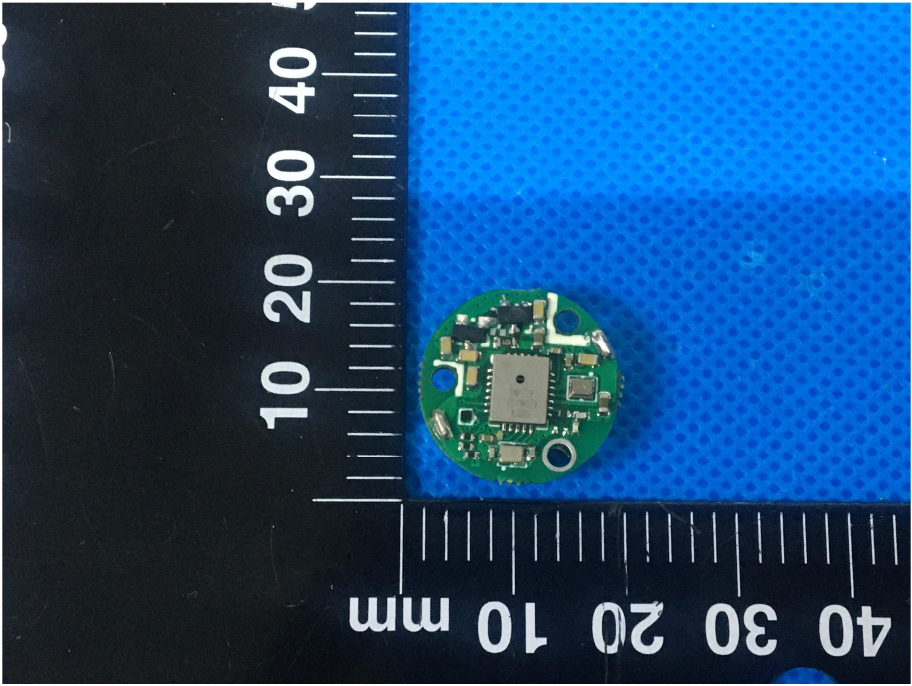

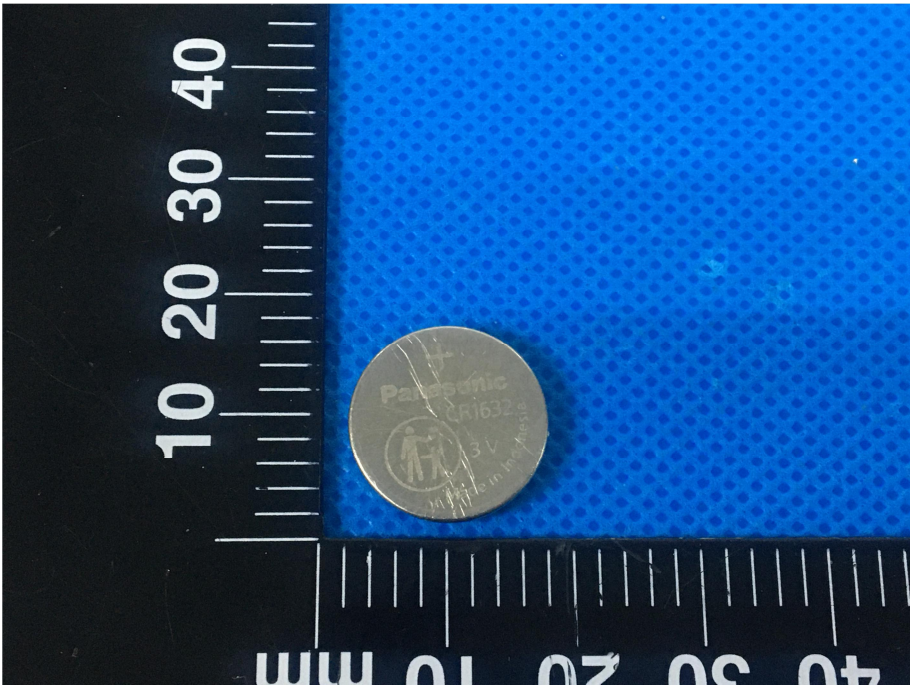

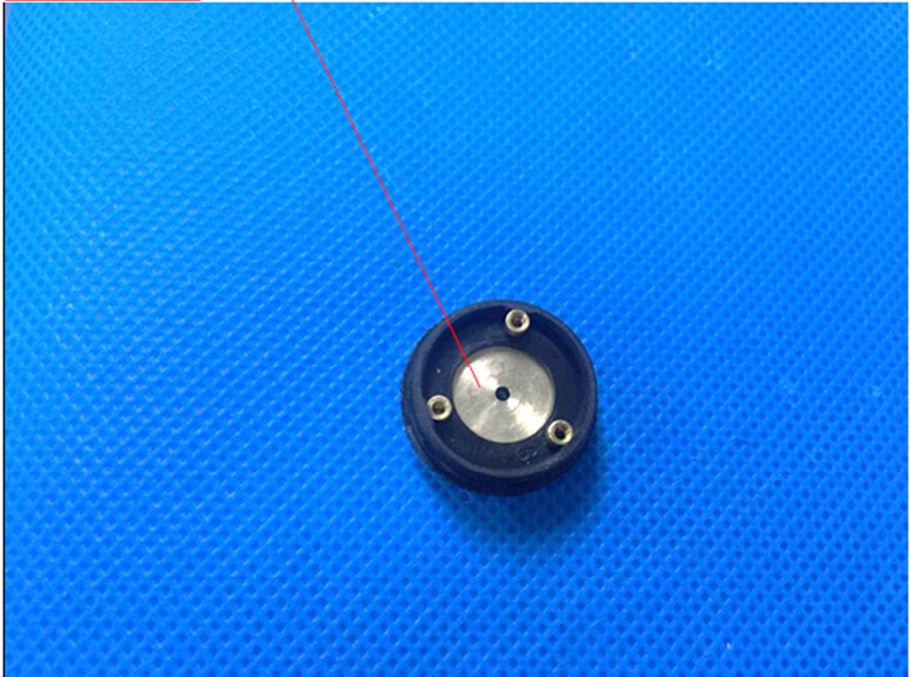

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

EUT Housing and Board View 1	 A photograph showing the top view of the EUT housing and board. The housing is a dark, circular component. The board is a small, circular green PCB with various electronic components. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters. The background is a blue textured surface.
EUT Housing and Board View 2	 A photograph showing the bottom view of the EUT housing and board. The housing is a dark, circular component with three gold-colored pins. The board is a small, circular green PCB with various electronic components. A black ruler with white markings is placed horizontally below the components, showing measurements in millimeters. The background is a blue textured surface.

Solder Board-Component View 1	
Solder Board-Component View 2	

Solder Board-Component View 3	 A photograph showing a circular silver component, likely a coin cell battery, resting on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 10 to 40. The component has "Panasonic CR1632 3V" and a recycling symbol printed on it.
Antenna View	2.4G Antenna  A photograph of a small, dark, circular component with a central silver pad and four small gold-colored solder points. A red line points from a label "2.4G Antenna" to the central silver pad. The component is placed on a blue textured surface.
