Reset and Reconnect/リセットと再接続 Reconfiguración y Reconexión/Remise à zéro et Reconnexion Zurücksetzen und neu verbinden

EN: If this speaker becomes disconnected or has another connecting problem, you can press and hold "Volume +" and "Volume -" buttons simultaneously for 5s at least to clear the pairing of speaker and remove the old pairing in your Bluetooth device, and then pair again.

If this speaker becomes out of control and can't be powered off, you can press and hold power button for 8s at least to reboot.

JP: スピーカーの接続に問題がある場合は、“音量+”ボタンと“音量-”ボタンを同時に5秒以上押し続け、お使いのBluetooth機器とのペアリング履歴を一度消去し、ペアリングを再度設定しなおしてください。もし、スピーカーが電源を切ることもできず制御不能になった場合は、電源ボタンを8秒以上押し続け、再起動してください。

ES: Si se desconecta la bocina o se presenta alguno otro problema con la conexión. Presione y mantenga presionado los botones de "Volumen +" y "Volumen -" simultáneamente por 5 segundos, para borrar el historial de emparejamiento de la bocina y eliminar el emparejamiento anterior con su dispositivo Bluetooth, y luego empareje de nuevo.

Si la bocina se sale de control y no la puede apagar, mantenga presionado el Botón de Encendido por 8 segundos para reiniciar.

FR: Si l'enceinte se déconnecte ou présente une difficulté de connexion, vous pouvez appuyer et maintenir les boutons "Volume +" et "Volume -" simultanément pendant au moins 5 secondes pour réinitialiser l'appairage et oublier les anciennes connexions Bluetooth, puis recommencez l'appairage.

Si cette enceinte ne répond plus et ne s'éteint pas, vous pouvez appuyer et maintenir le bouton d'allumage pendant au moins 8 secondes pour la redémarrer.

DE: Sollte die Lautsprecher-Verbindung getrennt werden oder anderweitige Verbindungsprobleme auftreten, können Sie die Tasten "Lautstärke +" und "Lautstärke -" gleichzeitig mindestens 5s gedrückt halten, um die Kopplung des Lautsprechers zu löschen, dann die gekoppelte Verbindung auf Ihrem Bluetooth-Gerät entfernen und schließlich erneut koppeln. Sollte der Lautsprecher nicht mehr gesteuert und ausgeschaltet werden können, können Sie die Power-Taste zum Neustarten 8s lang drücken.

FCC Statement

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference.
- (2) This device must accept any interference received, including interference that may cause undesired operation.

CAUTION

There's danger of explosion if battery is incorrectly replaced.

Replace only with the same or equivalent type of battery.

The battery shall not be exposed to excessive heat such as sunshine, fire or the like.

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Shenzhen Earfun Technology Co., Ltd. is under license.
