Battery Care & Charging Instructions

Your Blue Tiger[®]Elite Plus[™] headset uses a high-quality Lithium Polymer battery. Fully charged, it allows up to 34 hours talk time in single speaker (mono) headset mode; up to 30 hours of continuous use listening to music in dual speaker (stereo) mode; and up to 200 hours standby time. Actual battery life between charging will vary based on your headset usage patterns.

Once your battery is low, the red-light indicator will blink intermittently

When charging the headset, the LED indicator light will display a red light. It will blink blue intermittently if the headset is also turned on (Blue and Red LED will override if power is on while charging.) When fully charged, the red indicator light will turn off.
