

RECONNECT

After the left and right earphones are turned on, they will automatically reconnect. Once the headset is successfully paired with a mobile device, it will automatically reconnect to the device when the Bluetooth is on.

Notice:

If the headset is not connected to a device while in pairing mode, it will automatically shut down after 3 minutes.

To clear the historical device records and shut down the headset, tap the touch zone 5 times in a row while it is powered on. To connect, place the earbuds back into the charging case and close the cap. Then open the case to reconnect the earbuds to the device.

PERSONAL TECH DONE BETTER

Designed for You

We actually listen to what you want and we're always looking for ways to make everything easier and better for you.

aigo Quality Sound

Choose from different settings and customize your sound style to match exactly what you're doing.

Surprisingly Awesome Value

We always incorporate the most functionality and enjoyment into every product at a truly accessible price.

CHARGE

1、 Use adapter

2、 Connect USB
of PC

3、 Use car adapter

USB charging
cable

USB-C

Charging port

When using the earphones for the first time (or when they have not been used for a long time), be sure to place the earphones in the charging case before use. Use the 5V/500mA adapter to connect the provided charging cable and charge the headset for approximately 2 hours.

Charging case indicator light

When charging: green light flashes.

Fully charged: green light stays on.

When earbuds are charging in the case: the white light stays on.

The charging case is low in power: white light flashes.

Notice:

- 1. If the device is not used for an extended period, please charge it once every two months.**
- 2. It is strictly prohibited to use an adapter that exceeds the nominal charging voltage and current of the unit to charge.**

QUICK TIPS

- The left or right earbud can be used independently for music and phone calls. Simply choose one and take out of the case.
- Fully dry case to avoid any damage to the case. The earbuds are sweat· water resistant but the case is not.

FCC ID:2ASNB-TK03

FCC Compliance Statement:
