

Letter of Authorization

Attn: To Whom it May Concern / Application Examiner / Review Engineer / Officer in Charge
Re: Authorization to apply for a FCC "Change of Identification"

Dear Madam or Sir,

We, Silicon Laboratories Finland Oy, a corporation validly organized and existing under the laws of Finland, having its principal place of business at Alberga Business Park, Bertel Jungin aukio 3, 02600 Espoo, Finland,

hereby declare to have applied for and have been granted Federal Communications Commission (FCC) registration number QOQBLE112 for our Bluetooth Low Energy radio module which carries the model number BLE112, and with this letter we **grant permission** on a one-time basis to the following company:

Schneider Electric
38 Neposset Ave
Foxborough, MA 02035, United States

to apply for a "Change of Identification" for the above-mentioned radio module, with FCC.

We understand that Schneider Electric must make this change in order to comply with Federal Communication Commission (FCC) regulations that apply to the Schneider Electric product called IAN-BLE, FCC identifier 2ASO7IANBLE and we authorize FCC to use information on file to grant such "Change of Identification" for their device.

We confirm we will be supplying the BLE112 to Schneider Electric, unmodified and equivalent to the originally certified unit. The original test results continue to be representative of and applicable to the equipment bearing the changed identification. Conversely, we emphasize to have no control or responsibility with regards to the proper installation and use of our module in the products manufactured and sold by Schneider Electric. As a result, Schneider Electric takes ownership and accountability for the compliance of their end-product.

Should there be any query regarding this authorization, please do not hesitate to contact the undersigned. Thank you for your attention to this matter.

Place and date of issue (of this letter):
Espoo, May 02, 2019
