RE: CONFIDENTIALITY REQUEST FOR "LXNAV Application module" with FCC ID
2ASPHLXNAVAM
To Whom It May Concern:

This letter serves as an official request for confidentiality under sections 0.457 and 0.459 of CFR 47. We have requested that the Block diagram/Mechanical drawing, Schematics/PCB Layouts, Theory of operation/Technical description, Manual/Installation guide and Internal photos required to be submitted with this application be permanently withheld from public review.

These documents contain details of the proprietary operation of product. These details are not readily discernible - even to technically sophisticated individuals - from our hardware and constitute trade secrets.

We request therefore that these documents be segregated from the body of our evaluation report and withheld from public inspection.

Thank you for your attention. Please let the undersigned know if MET Laboratories, Inc. Or the Commission disagrees with our position or requires further justification.

Sincerely,
Erazem Polutnik
CEO
