Place the Tattoo paper according to the above steps.

上記の手順に従い、タトゥーペーパーも配置する。

Legen Sie das Tattoo-Papier entsprechend den obigen Schritten an.

Note / 注意事項 / Anmerkungen:

EN 1. When you need to retrieve the printing paper, you can press the PDSR button with both hands to take it out.
2. Any issues with your printer arising from using non-official printing papers will not be covered under our warranty policy.

JP 1. 印刷紙を取り出す必要がある場合、両手で PDSR ボタンを押して取り出すことができます。
2. 非正規製品の使用による印刷不良や故障が発生した場合、修理、交換、返品保証の対象外となりますのでご注意ください。

DE 1. Wenn Sie das Druckerpapier entnehmen möchten, können Sie mit beiden Händen die PDSR Taste drücken, um es herauszunehmen.
2. Wenn bei Drucker papieren, wie bei allen offiziellen Verbrauchsmaterialien verwendet, haben Sie keinen Anspruch auf die dies Garantie.

4 FCC Warning statement

This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
Any changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:
-Reorient or relocate the receiving antenna.
-Increase the separation between the equipment and receiver.
-Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
The device has been realized to meet general RF exposure requirements. The device can be used in portable exposure condition without restriction.

5 ISED Warning statement

This device contains licence exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence exempt RSS(s). Operation is subject to the following two conditions:
1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause unintended operation of the device.

Amélioration requise normal de licence continue dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:
1. L'appareil ne doit pas produire de brouillage.
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

RF exposure statement:
IC RF exposure statement:
The device has been evaluated to meet general IC RF exposure requirements. The device can be used in portable exposure condition without restriction.
IC Déclaration d'exposition aux RF:
L'appareil a été évalué pour répondre aux exigences générales d'exposition aux RF et IC. L'appareil peut être utilisé dans des conditions d'exposition portable sans restriction.
