## How to use with suction cup holder?

1. Please clean and dry the surface where you want to install. Ensure the surface is flat and smooth.
2. Install your phone holder and suction cup holder.
3. Lock the suction cup holder and press down the suction cup.
4. Press the suction cup lever to the locked position.
5. Check if the phone holder is firmly attached to the surface. If it is not secure, repeat the steps above.
