

To whom it may concern,

KGTEL TECHNOLOGY INC is our branch in America ,so we used Lyra.Lv as contact person, We didn't take into account her absence from the local office which is our negligence. We are very sorry and we have canceled the company at present.

Global Product Services & Consultation LLC is our new local agent in America, we have also updated the authorization letter .

Lyra works in Hong Kong China where the company is registered , she provided her phone number which belong Chinese Mainland by mistake. At present, we have changed the mobile phone number on the FCC official website to her Hong Kong number.
