Attention: Application Examiner

RE: Request for Confidentiality
Applicant: Miller Electric Mfg. LLC
FCC ID: 2ASZL-301451

To Whom It May Concern:

Permanent Confidentiality

Request is hereby submitted by Miller Electric Mfg. LLC to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block Diagrams
- Detailed Operational/Functional Description

Rationale for request for confidentiality: This product is a non-consumer device that is to be used in a professional setting that requires professional installation.

Miller Electric Mfg. LLC has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,

A handwritten signature in blue ink that reads "Terry Plato".
