

**SHENZHEN CLOBOT INTELLIGENT
TECHNOLOGY CO., LTD.
Model Confirmation Letter**

We, (SHENZHEN CLOBOT INTELLIGENT TECHNOLOGY CO., LTD.) certify the product:

Robotic Vacuum Cleaner

Model No.: MT-200, MT-220, R20,

Their electrical circuit design, layout, components used and internal wiring are identical, Only the product appearance and the model are different.

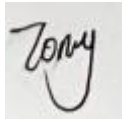

Model No.: MT-210, MT-230, MT-240, MT-250, MT-260, MT-270, MT-280, MT-290, R21, R22

Their electrical circuit design, layout, components used and internal wiring are identical, Only the model is different.

1# Li-ion battery: DC 14.8V 2600mAh, Charge by DC 19V for Charging Base

2# Li-ion battery: DC 12.8V 1800mAh, Charge by DC 19V for Charging Base

All models can use both 1# and 2# batteries
