To Whom It May Concern:

We, **Tarzan Technology Co.,Ltd.**, state that our device, **FCC ID: 2ATB5-T301A**, has a battery, but the battery will not be placed in the battery compartment when delivery, the label is visible to the users as they purchase the products and install the battery. The back cover can be moved away, there is not enough space to print FCC ID label in surface of products, so the label has to be placed in battery compartment.

Sincerely,

A handwritten signature in cursive script that reads "Andy Lee". The signature is written in black ink and is positioned above a faint, light green rectangular stamp or watermark.
