

# Loc8 Fob User Manual

## LOC8 FOB SETUP WITH APPLE'S FIND MY APP

Update to the latest version of iOS. Activate Bluetooth on your iPhone. Press your Loc8 Fob button once. You will hear a beep sound, indicating your device is ready for pairing. Open the Apple Find My app. Tap "+"; select "Add Other Item"; search for Loc8 Fob.

## LOCATE AN ITEM

In the Find My app, tap "Items" to find your Loc8 Fob on the map. Press your Loc8 Fob button once. You will hear a beep sound, which indicates your device is ready for pairing. Open the Apple Find My app. Tap "+"; select "Add Other Item"; search for Loc8 Fob.

## USE LOST MODE

Enable Lost Mode if you can't find your item. When your Loc8 Fob is nearby, you will receive notifications from your Find My app. Tap "Continue". Follow the on-screen steps to finish setting up Lost Mode.

\*Your Loc8 Fob will stay associated with your Apple ID, unless you unpair it. If someone finds your item while it is in Lost Mode, they can use their iPhone or any NFC-capable device to reach you.

## CHANGING BATTERY

Unscrew the cover on the back side of the Loc8 Fob, twist and open. Remove the Old Battery and Insert the new CR2032 coin-cell battery. Put the cover back on the Loc8 Fob and twist it clockwise until it's securely closed. Replace the screw back in place.

\*Product box includes a new CR203 battery, which can last for 12 months use.

## FCC Compliance Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation.

If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

## FCC Radiation Exposure statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Responsible Party - U.S. Contact Information  
ALOGIC USA LLC

Newark CA 94560, USA

## EU Declaration of Conformity

Hereby, ALOGIC Corporation declares that this product is in compliance with Directive 2014/53/EU. The full text of the EU declaration of conformity is available at the following Internet address by clicking on the Compliance Documentation link: [journeyofficial.com](http://journeyofficial.com)

## Innovation, Science and Economic Development Canada Statement (ISED)

This device complies with RSS-216 of the Industry Canada Rules. Operation is subject to the following two conditions:

- 1) This device may not cause interference.
- 2) This device must accept any interference, including interference that may cause undesired operation of the device.

## Radiation Exposure Statement:

The product complies with the Canada portable RF Exposure limit set forth for an uncontrolled environment and is safe for intended operation as described in this manual. Further RF exposure reduction can be achieved if the product can be kept as far as possible from the user's body or the device is set to a lower output power if such a function is available.

This digital apparatus complies with CAN ICES-003(B)/NMB-003 (B).

## Declaration d'Innovation, Sciences et Développement économique Canada (ISED)

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

- 1) L'appareil ne doit pas produire de brouillage;
- 2) L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

## Déclaration d'exposition aux radiations:

Le produit est conforme à la limite d'exposition aux RF portables au Canada établie pour un environnement non contrôlé et est sans danger pour le fonctionnement prévu tel que décrit dans ce manuel. Une réduction supplémentaire de l'exposition aux RF peut être obtenue si le produit peut être maintenu aussi loin que possible du corps de l'utilisateur ou si l'appareil est réglé sur une valeur inférieure, puissance de sortie si une telle fonction est disponible.

Ce périphérique numérique est conforme à la norme CAN ICES-003(B)/NMB-003 (B).

## WARNINGS

Avoid exposing it to extreme conditions that may affect its functionality.

Keep Loc8 Fob away from all heat and fire sources, including heating equipment, heaters, ovens, open flames, and direct sunlight.

Do not attempt to repair or disassemble the Loc8 Fob equipment by yourself. Any unauthorized modification may result in damage or malfunction.

Avoid using or storing Loc8 Fob in environments with high humidity or temperatures exceeding 60°C (140°C) to prevent potential failures.

Responsibly dispose of Loc8 Fob products following the local government's regulations on waste disposal to minimize environmental impact.

To use the Apple Find My app to locate this item, the latest version of iOS, iPadOS, or macOS is recommended. The Find Items app on Apple Watch requires the latest version of watchOS.

Use of the Works with Apple badge means that a product has been designed to work specifically with the technology identified in the badge and has been certified by the product manufacturer to meet Apple Find My network product specifications and requirements. Apple is not responsible for the operation of this device or use of this product or its compliance with safety and regulatory standards.
