<p>Solder Board-Component View 10</p>	 <p>A photograph of a green square solder board component. The component is placed on a blue textured surface next to a metal ruler. The ruler shows centimeter and millimeter markings. The component has four circular mounting holes at the corners. Text on the component includes 'alibaba' on the left, 'TC-2B' at the top, '94V-0' with a flame icon, 'E131175', and '2113' with a date icon. There are also some small symbols and markings on the board.</p>
<p>Solder Board-Component View 11</p>	 <p>A photograph of a yellow square solder board component. The component is placed on a blue textured surface next to a metal ruler. The ruler shows centimeter and millimeter markings. The component has a central rectangular opening and two circular mounting holes. Text on the component includes 'FLD' with a logo, '902D-B2-TS-01', '2016.08.19', '21.08', and 'R0HS'.</p>
