

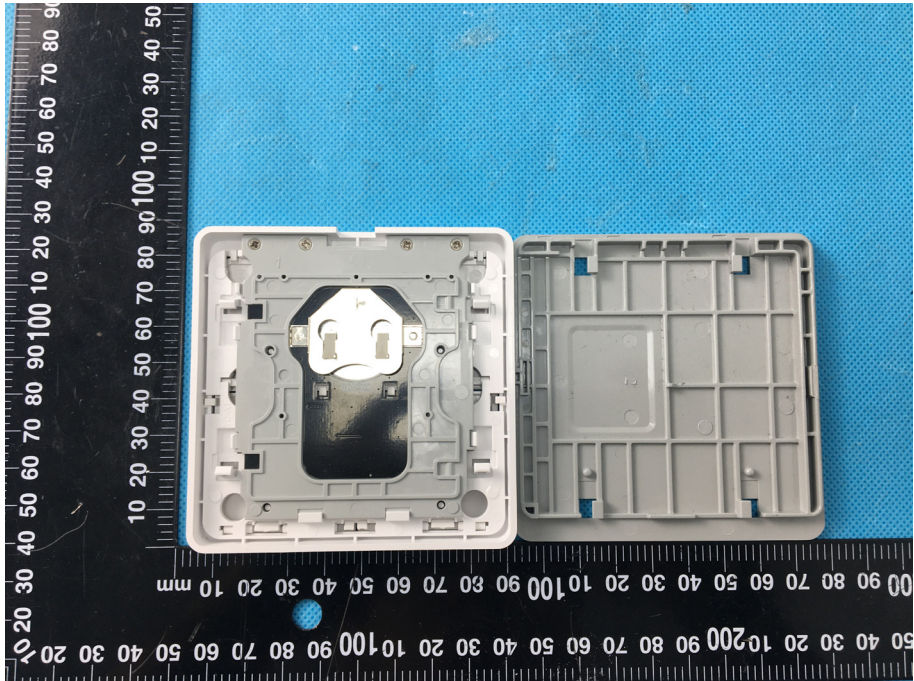

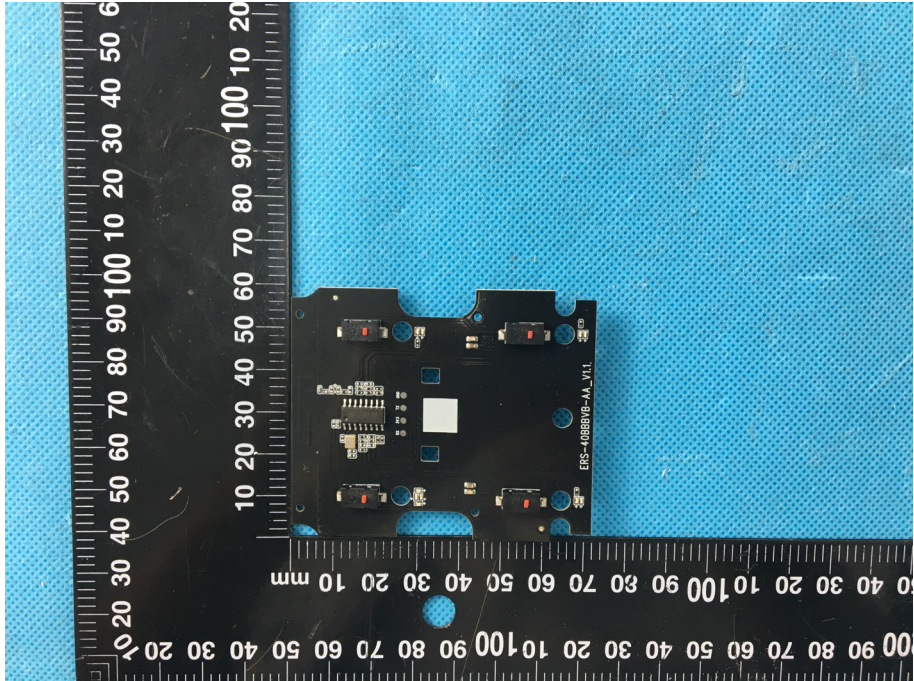

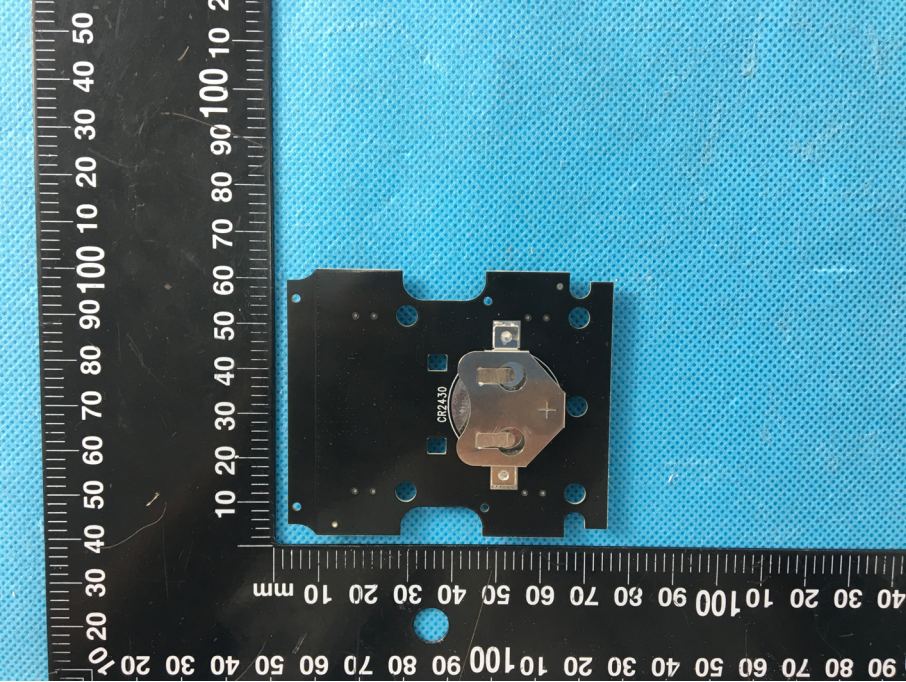

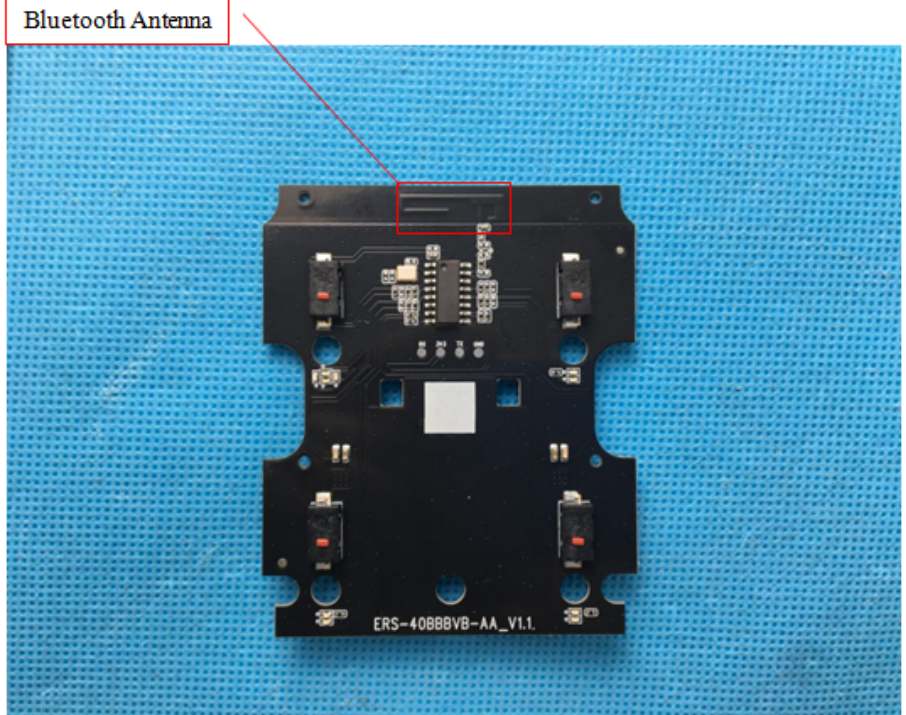

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>A photograph showing the disassembled EUT housing and board. The housing is a light grey plastic shell with a central cutout. The board is a black PCB with various components. A black ruler with white markings is placed vertically to the left of the components for scale. The ruler shows markings from 0 to 100 mm. The background is a blue textured surface.</p>
<p>Solder Board-Component View 1</p>	 <p>A close-up photograph of the soldered board component. The board is black and features several components, including a central white chip and various surface-mount components. A black ruler with white markings is placed vertically to the left of the board for scale. The ruler shows markings from 0 to 100 mm. The background is a blue textured surface.</p>

<p>Solder Board-Component View 2</p>	 <p>A photograph showing a black PCB component with a central silver-colored metal component. The component is placed on a blue textured surface next to a black ruler with white markings. The ruler shows measurements in millimeters, with the component's width being approximately 40 mm. The metal component has a circular shape with a crosshair and the text 'CR2430' printed on it.</p>
<p>Antenna View</p>	 <p>A photograph showing the reverse side of the black PCB component. A red box highlights a small rectangular component labeled 'Bluetooth Antenna'. The PCB has various electronic components, including a central chip and several connectors. The text 'ERS-40BBBVB-AA_V1.1' is printed at the bottom of the board.</p>
