Subject: FCC Limited Single Modular Approval Letter

FCC ID: 2ATFX-102545

To whom it may concern

We, Disruptive Technologies Research AS hereby declare that the product, FCC ID: 2ATFX-102545 has met the single-modular approval requirements of FCC rule part §15.212(a)(1) and this is shown in the table below.

Furthermore, we declare that the module SDS Module (US), is not for sale – it is for use in Disruptive Technologies Research AS manufactured host devices only, and the user manual integration instructions are internal confidential manufacturing documents.

Requirement	Compliance: Yes or No along with a justification
The radio elements must have the radio frequency circuitry shielded. Physical components and tuning capacitor(s) may be located external to the shield, but must be on the module assembly	Yes. As described in the Operational Description and Internal Photos
The module must have buffered modulation/data inputs to ensure that the device will comply with Part 15 requirements with any type of input signal	Yes. As described in the Operational Description

The module must contain power supply regulation on the module	Yes. As described in the Operational Description
The module must contain a permanently attached antenna, or contain a unique antenna connector, and be marketed and operated only with specific antenna(s), per Sections 15.203, 15.204(b), 15.204(c), 15.212(a), 2.929(b)	Yes. As described in the Operational Description and Internal Photos
The module must demonstrate compliance in a stand-alone configuration	Yes. The system is tested and compliant in a stand-alone configuration
The module must be labelled with its permanently affixed FCC ID label, or use an electronic display (See KDB Publication 784748 about labelling requirements)	Yes. The FCC ID is printed on the PCB as shown in the Labels exhibit
The module must comply with all specific rules applicable to the transmitter including all the conditions provided in the integration instructions by the grantee	Yes, see User Guide
The module must comply with RF exposure requirements	Yes, see the RF exposure exhibit

Yours faithfully,
