Subject: Request for withholding from public disclosure the schematics, block diagrams, parts lists and operational/functional descriptions pursuant to an application for certification for
FCC ID: 2ATK4-GATEWAYVLTE
Model#: GATEWAY-VLTE

To Whom It May Concern:

We, Luna Products, LLC would like to request that all

- Schematics
- Block diagrams
- Operational/functional descriptions

submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules.

This request is made under the provisions of Section 0.457 (d) of the Commission's Rules, and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the public by that person.

Rationale for request for confidentiality:

Luna Products, LLC has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.
