A photograph of a custom PCB with four antennas, placed next to a ruler for scale. The PCB is circular and populated with various components including integrated circuits, capacitors, and connectors. Four flexible printed circuit (FPC) antennas are mounted on the board. A ruler is placed vertically to the left of the PCB, showing a scale from 0 to 16 cm. Another ruler is placed horizontally below the PCB, showing a scale from 0 to 20 cm. The PCB is resting on a light-colored wooden surface.
