## New Family Listing Declaration

Dear Examiner

Please review the attached exhibits supporting our request for applying certification

FCC ID: **2ATTE-2144100082**

IC : **25412-2144100082**

HMN: **XPS07.1A1, XPS07.2A1**

The differences between the 2 HMNs (Host Model) are as follows:

1. XPS07.1A1 designed with 2.4" display portrait mode without touch, no ambient illumination board.
2. XPS07.2A1 designed with 5" display landscape mode with touch. Ambient illumination board

Shape of housing parts and type of display control board depends on size of display.

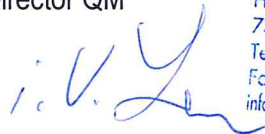

There are no other differences in electronics, laser, motors, wiring and FW other as indicated.

Sincerely,

Name: Oliver Lange
