FEDERAL COMMUNICATIONS COMMISSIONS  
Authorization and Evaluation Division  
7435 Oakland Mills Road  
Columbia, MD 21046

Dear Sir or Madam:

We, Axiom Distribution Solutions, hereby declare that our product Digital Portable Radio, Model: AXP695 UHF, AXP665 UHF, AXP605 UHF (FCC ID: 2ATTQAXP6X5), is enable to work in Bluetooth (BDR, EDR, BLE 1M modes) and UHF: 400-470MHz .The other functions, modes and bands are disabled by firmware in factory. The end user or any other parties do not have the capability to activate the other frequency bands.

Sincerely,

Signature

Michele King

National Sales Manager
