RE: Request for Change in ID

< Shenzhen Excera Technology Co., Ltd.> Original FCC ID: < 2AE6C-EP8100U1>
Original Grant Date: <01/26/2022>
< Axiom Distribution Solutions> New FCC ID: < 2ATTQAXP800>

To Whom It May Concern:

< Axiom Distribution Solutions > verifies the equipment bearing the modified identification does not differ from the original equipment, there are no differences in terms of both hardware and software. The only difference is branding: the original equipment carries < Shenzhen Excera Technology Co., Ltd.> label, the equipment bearing the changed identification carries < Axiom Distribution Solutions > label. The original test results continue to be representative of and applicable to the equipment bearing the changed identification.

If you required any additional information, please contact us.

Sincerely,
