

Bluetooth® Speaker Portable Power Bank Instructions

VR600BTPB

Limited Warranty

FutureVision, LLC warrants to the original purchaser, that its products are free from defects in material and workmanship for 30 days from the date of original purchase. If during the 30 day warranty period your new product is found to be defective, FutureVision, LLC will repair or replace the product, without charge for parts or labor provided the product was not altered or damaged through negligence, accident, or improper operation. This warranty is valid for the original (initial) purchaser of the product only when obtained from an authorized dealer.

All warranty claims must be accompanied by a copy of the sales receipt or bill of sale. Because it is impossible to publicize all changes in every product, we reserve the right to make such changes without notice.

FutureVision, LLC makes no other warranty of any kind, expressed or implied; and all implied warranties, are hereby disclaimed by FutureVision, LLC and excluded from this warranty. FutureVision, LLC, the manufacturer, distributor, and seller shall not be liable for any injury, loss or damage, incidental or consequential, arising out of the use or intended use of the product.

FCC This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

Reorient or relocate the receiving antenna.

Increase the separation between the equipment and receiver.

Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Consult the dealer or an experienced radio/TV technician for help.

Warning: Changes or modifications to this unit not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

Changes or modifications not expressly approved by FutureVision, LLC could void the user's authority to operate this device.

FCC Radiation Exposure Statement

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

How to Use

- Power:** Press the Power Button to turn Speaker On/Off.
- Bluetooth® Pairing:** When you turn on the speaker, it will automatically enter into pairing mode. The Bluetooth® LED will blink fast. Navigate to your device's Bluetooth® setup screen. Connect to the "VR3-VR600". Once paired, you will hear a tone and the light will steady blue.
- Aux Input:** The **Bluetooth® SPEAKER PORTABLE POWER BANK** has an Auxiliary Input to play music with a 3.5mm audio cable. Plug cable into the headphone jack of your telephone or computer and play your music.
- Charging Your Speaker:** Fully charge your **Bluetooth® SPEAKER PORTABLE POWER BANK** before use. Connect the USB charger to the charging port with the included micro USB cable to charge. When the LED battery indicator stays on, your device is fully charged.
- Charging Your Devices:** Connect one end of your charging cable to your device's charging port and the other end to the USB Output Port on the **Bluetooth® SPEAKER PORTABLE POWER BANK**. Unplug your device once fully charged.
