Easy start

Follow this 4 steps to start using your chime!

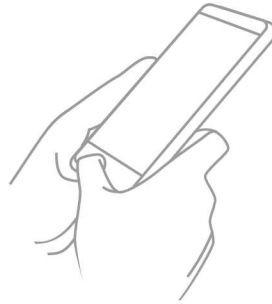

Download the app

Easy start

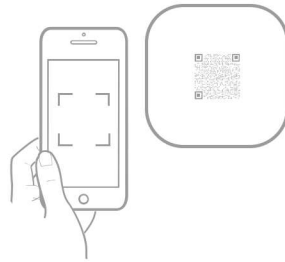

Follow this 4 steps to start using your chime!

**1. Open the Hipcam App
and select product Chime**

**2. Choose the camera
you want to associate**

3. Scan the QR Code in the back of the Chime

4. Plug the Chime & start the association process

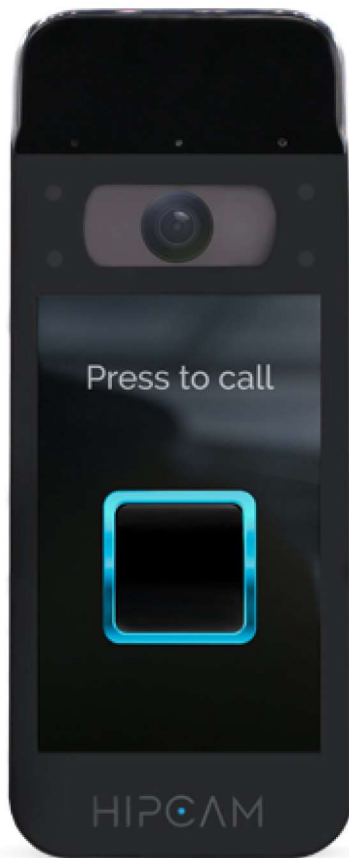

IMPORTANT: Your Chime must be installed to provide a separation distance of at least 20 cm from all persons and must not be co-located or operating in conjunction with any other antenna or transmitter nearby.
