

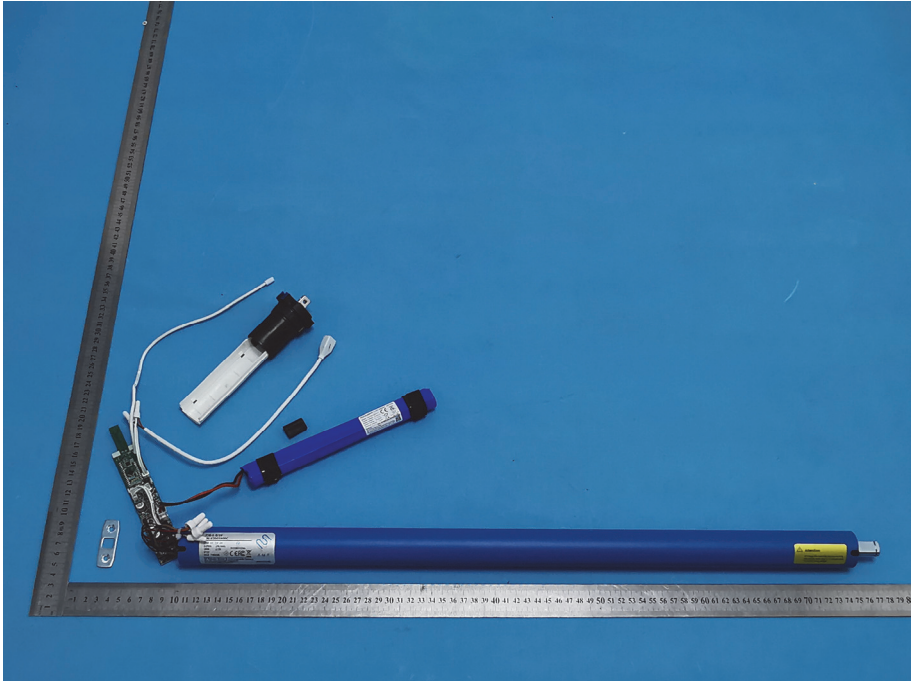

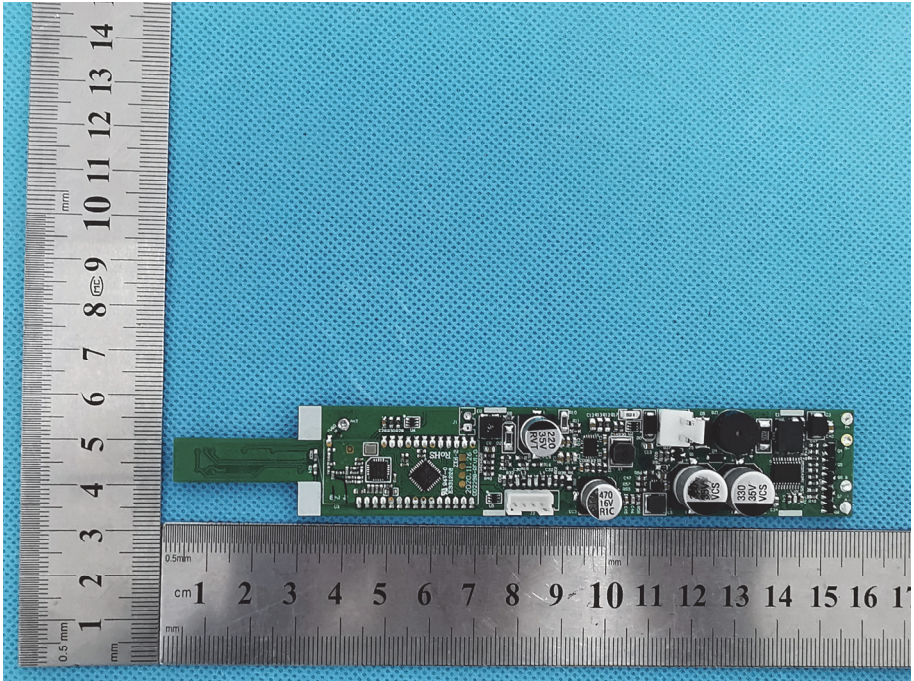

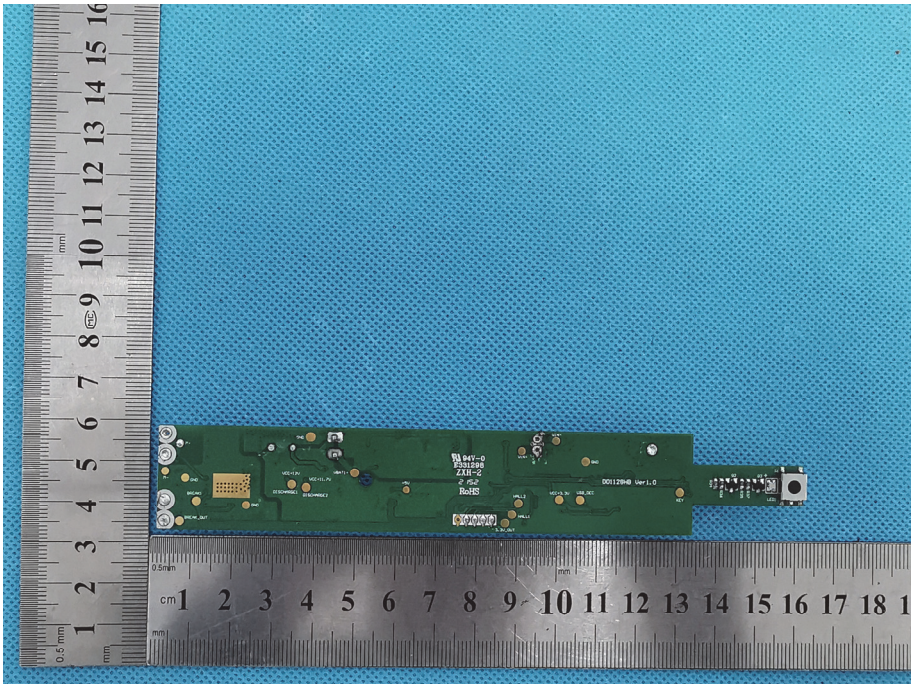

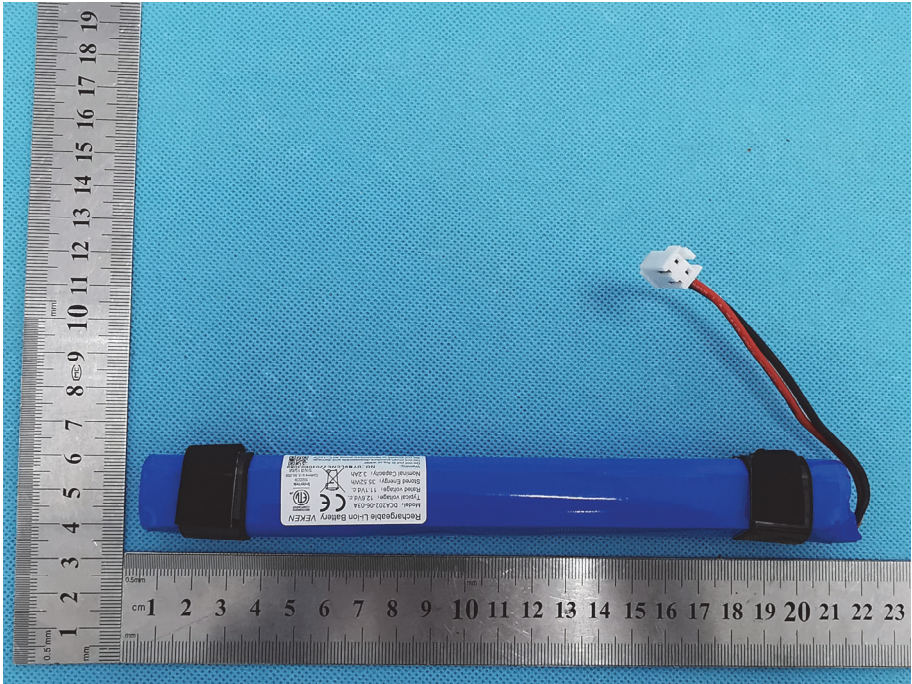

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

<p>EUT Housing and Board View 1</p>	 <p>A photograph showing the internal components of an EUT (End User Terminal) housing. The components, including a blue cylindrical battery, a green printed circuit board (PCB) with various electronic components, and a white plastic housing part, are laid out on a blue surface. A metal ruler is placed vertically on the left side of the components for scale.</p>
<p>Solder Board-Component View 1</p>	 <p>A close-up photograph of a green PCB component, likely a battery management system (BMS) board, showing various electronic components such as capacitors, resistors, and integrated circuits. The board is soldered to a green flex cable. Two metal rulers are placed around the board for scale: one vertically on the left and one horizontally at the bottom.</p>

<p style="text-align: center;">Solder Board-Component View 2</p>	 <p>A photograph of a green printed circuit board (PCB) component, likely a battery management system (BMS) board, placed on a blue textured surface. The board is oriented horizontally and is flanked by two rulers for scale. The top ruler shows centimeter markings from 1 to 16, and the bottom ruler shows centimeter markings from 1 to 18. The board features several components, including a microcontroller, capacitors, and a connector. Text on the board includes "BA 001-0", "ZAH-2", "RoHS", and "001290 Ver1.0".</p>
<p style="text-align: center;">Solder Board-Component View 3</p>	 <p>A photograph of a blue cylindrical lithium-ion battery with a white connector and red and black wires, placed on a blue textured surface. The battery is oriented horizontally and is flanked by two rulers for scale. The top ruler shows centimeter markings from 1 to 19, and the bottom ruler shows centimeter markings from 1 to 23. The battery has a label with technical specifications and safety warnings, including "Rechargeable Li-ion Battery YEKEN", "Model: DC30000313", "Rated Voltage: 3.7V", "Rated Capacity: 3000mAh", and "Nominal Capacity: 2.9Ah".</p>
