

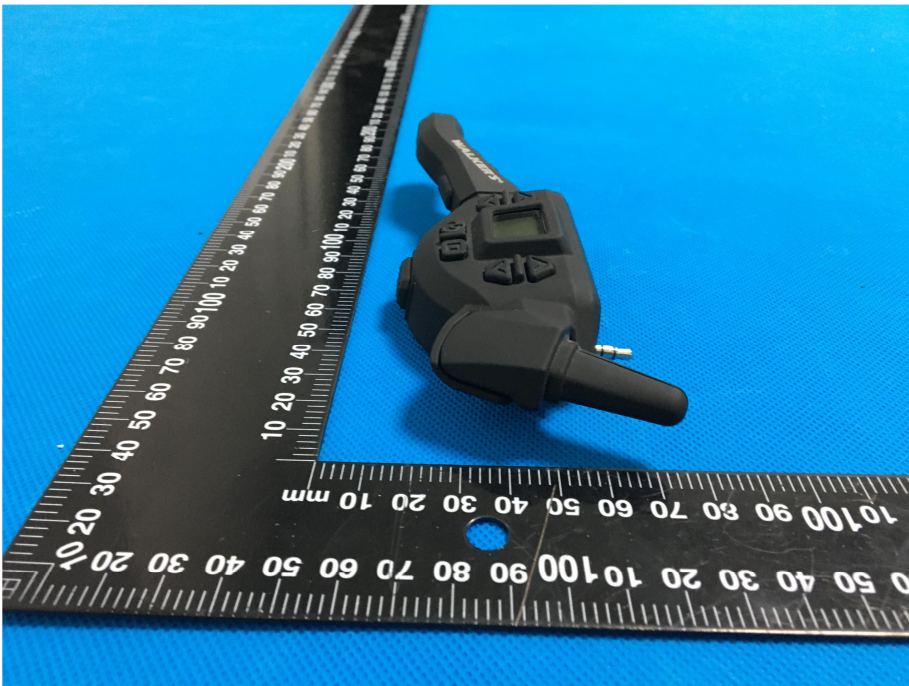

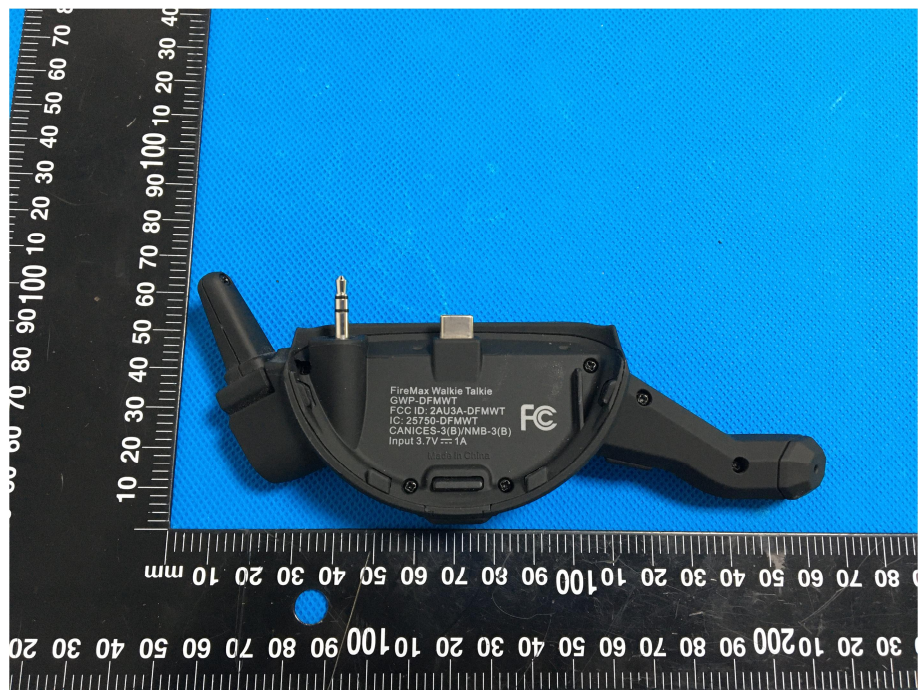

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 1</p>	 A black handheld electronic device, likely a walkie-talkie, is shown from a top-down perspective. It features a small LCD screen in the center, several control buttons, and a microphone on the right side. The device is placed on a blue textured surface. A black ruler is positioned vertically to the left of the device, showing measurements in centimeters and millimeters. The brand name "WALKER'S" is visible on the side of the device.
<p>EUT View 2</p>	 A different view of the same black handheld device, showing its side profile. The microphone is clearly visible on the right side. The device is placed on the same blue textured surface. A black ruler is positioned vertically to the left of the device, providing a scale reference. The brand name "WALKER'S" is also visible on the side.
