

The XORAYA External Storage Unit can be used with the following XORAYA devices: ML-N4000, N4000, N4000+ and Datacube-C6.

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at one's own expense.

Changes or modifications made to this equipment not expressly approved for compliance may void the FCC authorization to operate this equipment.
