

The image shows a line drawing of a rectangular electronic device, possibly a power supply or a small computer component, housed in a protective case. The device is centered within the case. A central label contains the following text: **Logrand** (with a square logo), **Model: WNAL43**, **FCC ID: 2AU5D-AHAW5**, **IC: 25764-AHAW5**, and **HVIN: WNAL43**. To the right of the label, the number **370553** is printed. The device has several ports and connectors: two circular ports on the left and right sides, two rectangular ports at the top, and two rectangular ports at the bottom. The case has a multi-layered border with several tabs and notches for mounting or securing the device.
