

Statement

Product Name: LTE Indoor CPE

Model Number: SRT421

Hardware Version: V1.0

Software Version: ST_CBRS_V2.0.0

Change LTE 48 gain based on original project

Frequency Range	original project	new project
	FCC ID: 2AU8HSRT421	FCC ID: 2AU8HSRT421-CBRS
LTE Band 48:	5.00dBi	6.55 dBi
LTE Band 41	Support	Software disable

Add without voice interface product based on original project

The Products with or without voice interface are the same except for the voice interface.

The version without voice is realized by removing voice components, no influence on RF performance.

The test strategy reference is as follows:

Standard	Remark
Part 15B	Full Test
Part 15C	Check Power/AC Power Line/RSE worse data Other items original report SZCR210402049802
Part 15E	Check Power/AC Power Line/RSE worse data Other items original report SZCR210402049803
Part 96 & WINNF-TS-0122	Full Test
Part 2.1091	Reassessment

Your assistance on this matter is highly appreciated.
