4. Specification

Item	Rating	Unit
Length	40	M
Section Dia	13	PCS
Weight	0.17	KG
Power Consumption	0.17	W
Power Voltage	AC220V	V
Max load capacity	60W	W
Max load current	2.5A	A
Max load voltage	220V	V
Operating temperature	-20~60	°C
Storage temperature	-20~60	°C
Relative humidity	10~90	%
Operating Humidity	10~90	%

5. Package include

- 1 x String light
- 1 x Remote control
- 1 x Receiver
- 1 x Manual

CAUTIONS:

- Do not touch the string light when it is powered on.
- Do not touch the string light when it is powered on.
- Do not touch the string light when it is powered on.
- Do not touch the string light when it is powered on.
- Do not touch the string light when it is powered on.
