Disclaimer

The information in this INVISIO User Manual (the "User Manual") is subject to change without notice and INVISIO is under no obligation to provide the user with updates, amendments or modifications.

This User Manual describes the use of the INVISIO System (the "Product") which includes headset, control unit, cables and accessories.

EXCEPT WHERE PROHIBITED BY LAW, THE WARRANTY EXPRESSLY GRANTED AS A PART OF INVISIO'S GENERAL TERMS AND CONDITIONS FOR DELIVERY, AS TO PERFORMANCE, RESULT, OR OTHERWISE IS THE USER'S EXCLUSIVE WARRANTY REMEDY.

INVISIO EXPRESSLY DISCLAIMS, AND USER EXPRESSLY WAIVES, ALL OTHER WARRANTIES, DUTIES, AND OBLIGATIONS IMPLIED IN LAW, INCLUDING THE IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR OTHER WARRANTY OF QUALITY, OR THOSE ARISING FROM A COURSE OF DEALING, CUSTOM, OR USAGE OF TRADE, EXCEPT OF TITLE AND AGAINST PATENT INFRINGEMENT. THE REMEDIES SET FORTH HEREIN ARE EXCLUSIVE.

By assembling and/or using the Product, the user agrees that he or she has read and understood the entire User Manual, including, without limitation, all instructions and warnings contained herein, prior to using the Product. The user also agrees that he or she will ensure that any additional or subsequent user of the Product will read, understand, and comply with the User Manual, including, without limitation, all instructions and warnings contained therein, prior to allowing that person to use the Product. The Product is designed exclusively for use by trained, professional personnel ("Authorized Personnel") performing their duties in their official capacity. Under no circumstances should the Product be used in any manner other than that described in this User Manual.

Opening or otherwise tampering with one or more of the control units, headsets, or accessories voids any warranty. Only original, manufacturer-approved accessories and batteries may be used with the Product.

The user must activate, adjust, clean, and maintain the Product in accordance with this User Manual. Failure to activate, adjust, clean, and maintain the Product in accordance with this User Manual voids any warranty. In consideration of receiving the Product, the user hereby agrees to the fullest extent permitted by law, as follows:

THE USER WAIVES ANY AND ALL CLAIMS AGAINST INVISIO AND ALL RELATED PARTIES RESULTING FROM USE OF THE USER MANUAL, THE PRODUCT, AND/OR ANY OF ITS COMPONENTS. IN NO EVENT WILL INVISIO OR ITS RELATED PARTIES BE LIABLE FOR DIRECT, INDIRECT, SPECIAL, INCIDENTAL, OR CONSEQUENTIAL DAMAGES ARISING OUT OF THE USE OR INABILITY TO USE THE USER MANUAL OR THE PRODUCT.

The user releases INVISIO and all related parties from any and all liability for any loss, damage, injury, or expense that the user may suffer, as a result of the use of the User Manual or Product, due to any cause whatsoever, including, without limitation: strict liability, misrepresentation, negligence, gross negligence, or breach of contract on the part of INVISIO and all related parties in the design or manufacture of the Product and any of its components.

In the event of the user's death or incapacity, all provisions contained herein shall be effective and binding upon the user's heirs, next of kin, executors, administrators, beneficiaries, assigns and representatives (the "User's Representative").

In any event, INVISIO's liability to any user or User's Representative for any reason and upon any cause of action or any claim in contract, tort, or otherwise with respect to the User Manual or the Product shall be limited to the price paid to INVISIO for the unit that caused any alleged damage. No cause of action which accrued more than one (1) year prior to the filing of a suit alleging such cause of action may be asserted against INVISIO or any party which designed or manufactured any component of the Product. All parties waive to the fullest extent permitted by law any right to a trial by jury as to any claims relating or referring in any way to the Product including, without limitation, any claims based in strict liability, negligence, gross negligence, breach of warranty, and any other claim based in law or equity.

Missing INV14839

INVISIO Bluetooth Audio Device

Power supply for INVISIO control units for use when radio power source is not available. The power supply can be mounted on splitter radio cable or directly connected to the control unit. It uses standard AA batteries. Fits easily into standard MOLLE webbing and can be secured in place with elastic band. The PS30 is designed to meet or exceed military specifications.

Check Text

Getting into pairing mode

1. Connect the cable to the control unit.
2. Connect the headset and put it on.
3. Press PTT2 whilst connecting the cable to the radio.
Or, in case of PS30 version :
Press PTT2 whilst inserting the battery into the PS30
4. A voice prompt "pairing initiated" is audible.
5. Release PTT2.
6. The device is now in pairing mode and beeps can be heard in the connected headset.
7. Activate Bluetooth on your mobile phone and search for nearby devices.
8. Select 'IAD 01'.
9. A voice prompt indicates that it is successfully paired and ready for operation.

Operation mode

Operation mode

- For incoming calls, a ring tone will be heard in the headset.
- Accept a phone call with a short press on PTT2, a long press on PTT2 will latch the microphone. This is indicated by a single beep.
- Reject a phone call with 2 short presses on PTT2.
- End a phone call with a short press on PTT2.

Turn Off power

Turn Off Power

Remove the cable from the radio in order to switch off.

Or, in case of the PS30 version :

Remove the battery from the PS30 in order to switch off.

Disable Bluetooth

- To disable the Bluetooth radio transmission press quickly PTT2, 5 times. You will then hear 3 beeps.
- To switch the Bluetooth radio transmission back on press quickly PTT2, 5 times. You will then hear 2 beeps.
- To connect to another mobile phone, start the pairing procedure as previously described. By pairing to another phone, the current active pairing will become inactive.

System does not power on

System does not power on

- Check radio is connected
- Check the radio's battery
- Check the PS30 battery

Regulatory

	<p>This appliance complies with European Directives 2014/35/EU, 2014/30/EU, 2011/65/EU.</p>
	<p>This device is approved by Bluetooth SIG.</p>
	<p>FCC ID: ZWGM7682</p> <p>FEDERAL COMMUNICATIONS COMMISSION (FCC) has not approved any changes or modifications to this device by the user. Any changes or modifications could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules and Industry Canada licence-exempt RSS standards. Operation is subject to the following two conditions: (1) this device may not cause interference, and (2) this device must accept any interference, including interference that may cause unintended operation of the device.</p> <p>The equipment complies with FCC and ICES radiation exposure limits set forth for an uncontrolled environment. This antenna should be installed and operated with minimum distance of 20 cm between the radiator and your body. This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.</p> <p>The equipment has been tested and found to comply with the limits for Class B digital devices, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:</p> <ul style="list-style-type: none"> - Reorient or relocate the receiving antenna. - Increase the separation between the equipment and receiver. - Connect the equipment into a circuit different from that to which the receiver is connected. - Consult the dealer or an experienced radio/TV technician for help. <p>RÈGLEMENTS COMMUNICATIONS (RCC) n'a pas approuvé toute modification ou modification de cet appareil par l'utilisateur, quelle qu'elle soit. Tout changement ou modification pourrait annuler le droit d'utilisation de l'appareil par l'utilisateur.</p> <p>RÈGLEMENTS COMMUNICATIONS (RCC) n'a pas approuvé toute modification ou modification de cet appareil par l'utilisateur, quelle qu'elle soit. Tout changement ou modification pourrait annuler le droit d'utilisation de l'appareil par l'utilisateur.</p> <p>Cet appareil est conforme aux Normes Canadiennes applicables aux appareils radio exempts de licence. L'exploitation est autorisée sous deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'affecter ses performances.</p> <p>Cet équipement est conforme aux Normes Canadiennes applicables aux appareils radio exempts de licence. Cet équipement est conçu pour fonctionner conformément aux Normes Canadiennes relatives aux appareils radio exempts de licence de classe B. Ces limites sont destinées à fournir une protection raisonnable contre les interférences nuisibles dans une installation résidentielle. Cet équipement génère, utilise et peut émettre de l'énergie radio et, s'il n'est installé et utilisé conformément aux instructions, peut causer des interférences nuisibles aux communications radio. Cependant, nous ne pouvons garantir que des interférences ne se produiront pas dans une installation particulière. Si cet équipement provoque des interférences nuisibles avec la réception radio ou la télévision, ou si un tel brouillage est observé en éteignant et en rallumant l'appareil, l'utilisateur est invité à tenter de corriger l'interférence en appliquant l'une ou plusieurs des mesures suivantes:</p> <ul style="list-style-type: none"> • Réorienter ou déplacer l'antenne de réception. • Augmenter la distance entre l'équipement et le récepteur. • Brancher l'équipement sur un circuit différent de celui auquel le récepteur est branché. • Consulter votre revendeur ou un technicien radio/TV expérimenté pour obtenir de l'aide.
	<p>This Class B digital apparatus complies with Canadian ICES-003. Cet appareil numérique de classe B est conforme à la norme canadienne NMB-003.</p> <p>IC-ID: 26406-ASM7682</p>
	<p>This device complies with RCM rules.</p>
	<p>The WEEE symbol indicates that this product may not be treated as household waste. Instead it must be handed over to the applicable collection point for the recycling of electrical and electronic equipment. Disposal must be carried out in accordance with local environmental regulations for waste disposal. For more detailed information about treatment, recovery and recycling of this product, please contact your local city office, your household waste disposal service or the seller from whom you purchased the product.</p>

Note

- Maximum ambient temperature of performance: +49 °C.
- Equipment will be supplied from a PS1 power supply.
- The cable version needs dual audio COM port to function i.e. COM1.
