

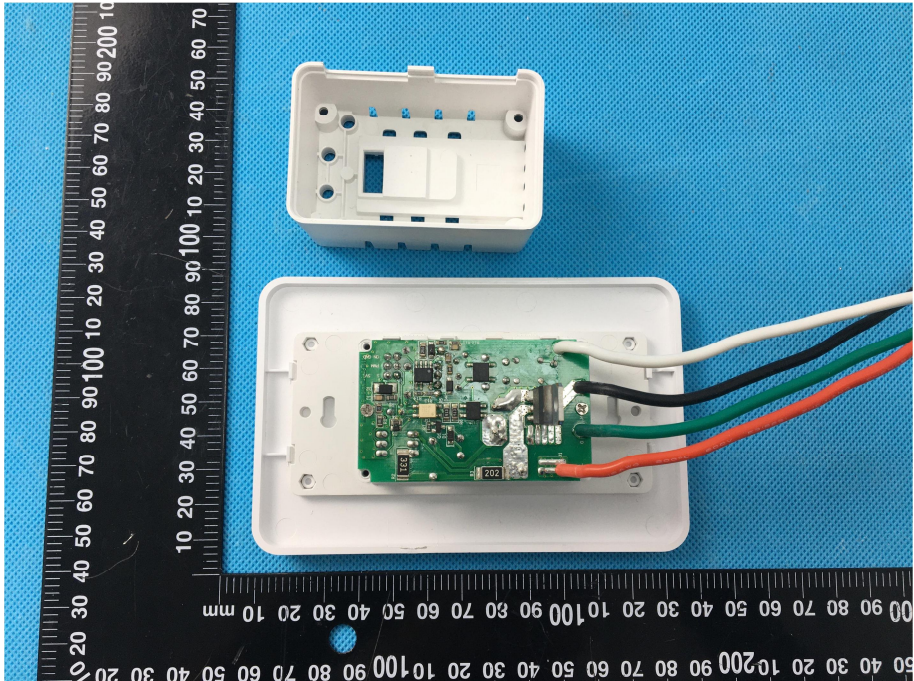

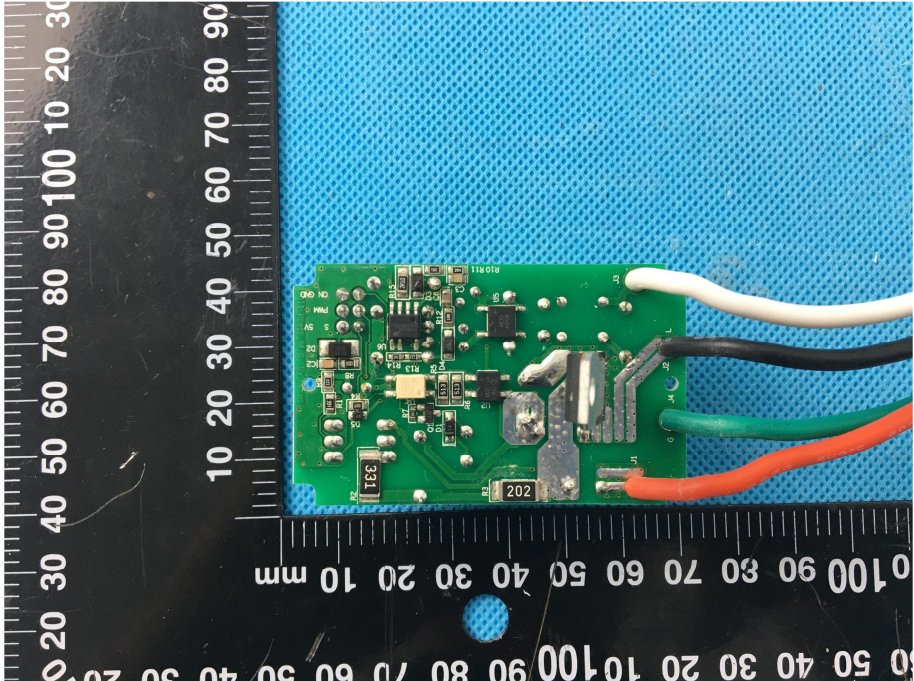

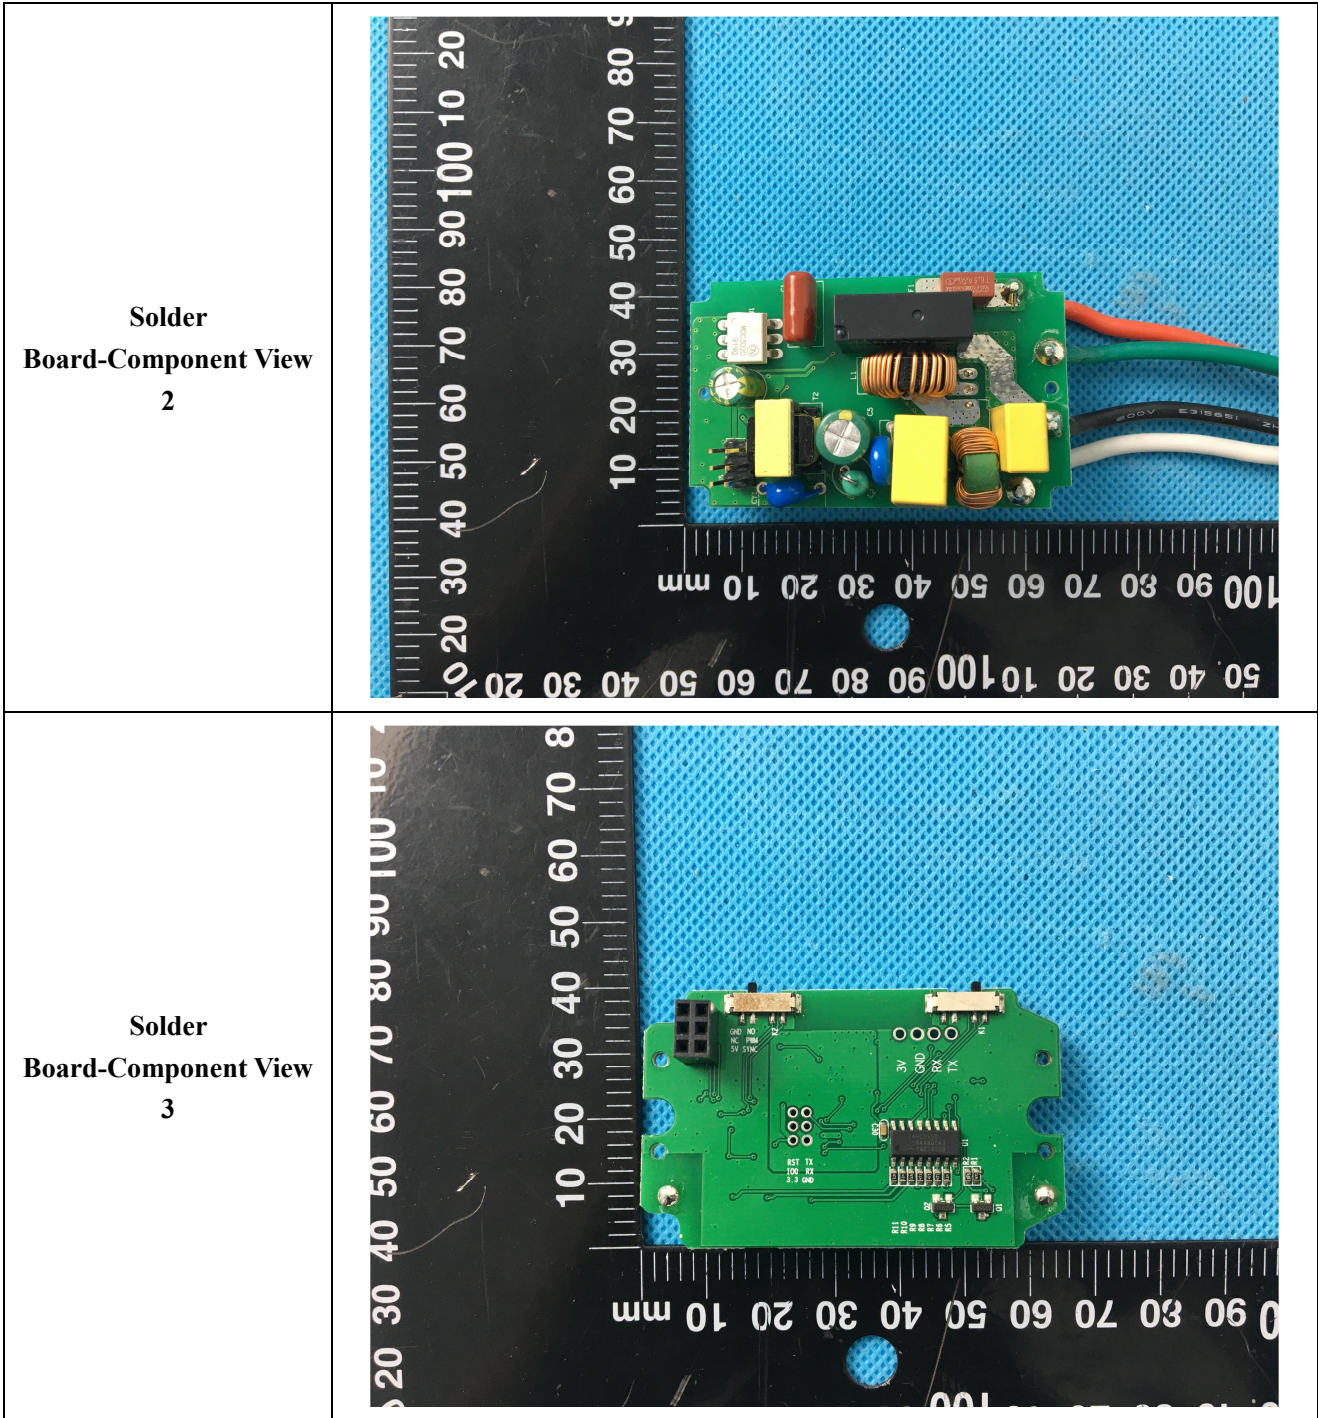

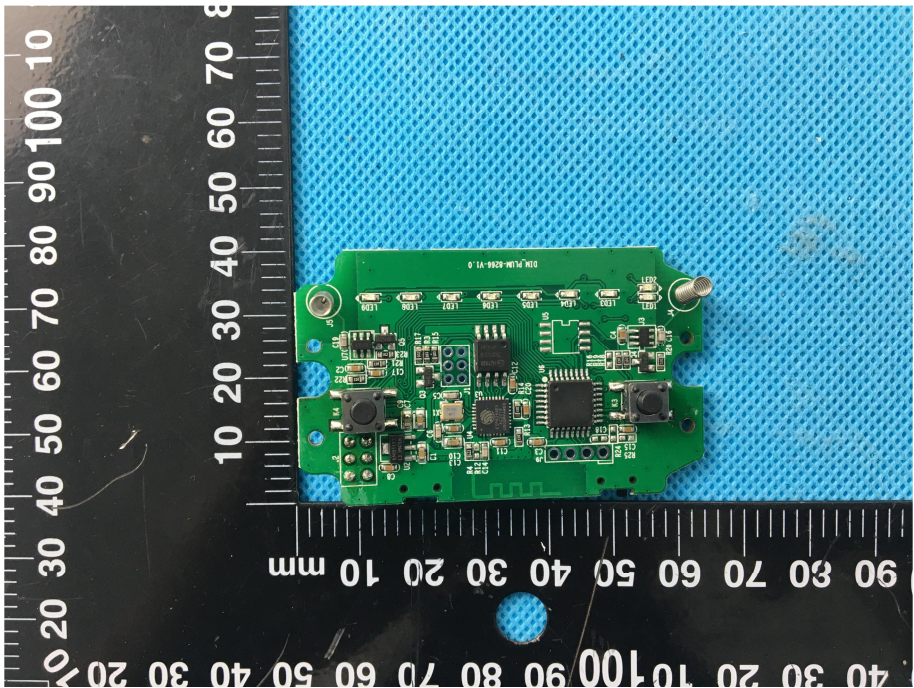

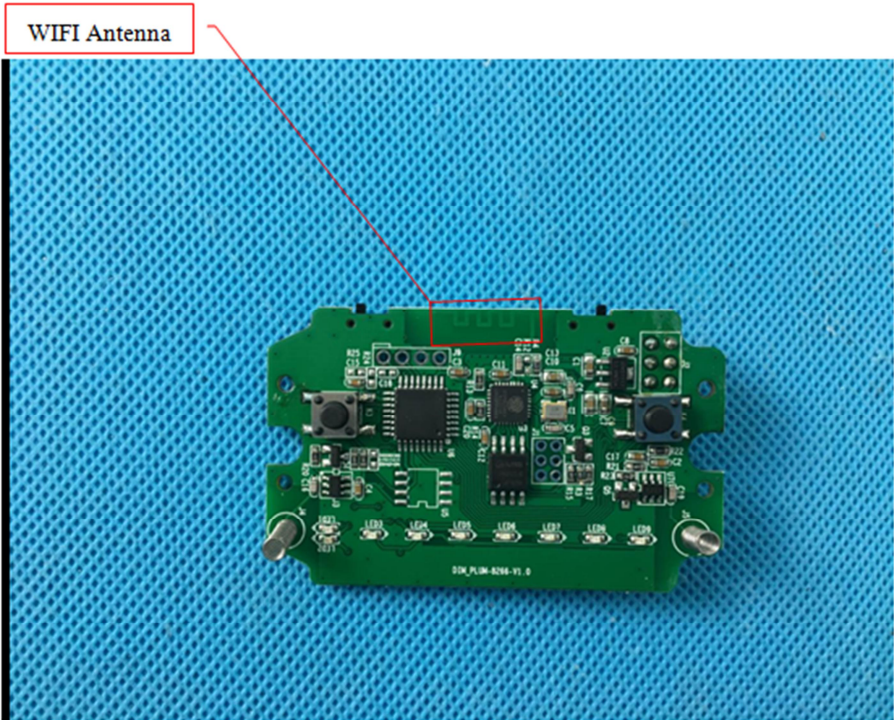

### EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

|   |  |
|---|--|
| <p><b>EUT Housing and Board<br/>View 1</b></p>      |  <p>This photograph shows the external view of the EUT housing and board assembly. The white plastic housing is open, revealing the green printed circuit board (PCB) inside. The PCB is populated with various electronic components, including a microcontroller, memory chips, and passive components. Four colored wires (white, black, green, and orange) are connected to the board. A black ruler is placed vertically to the left of the assembly for scale, showing measurements in millimeters.</p> |
| <p><b>Solder<br/>Board-Component View<br/>1</b></p> |  <p>This photograph provides a close-up view of the soldered components on the green PCB. The board is populated with various electronic components, including a microcontroller, memory chips, and passive components. The solder joints are clearly visible, and the components are labeled with their respective values and part numbers. A black ruler is placed vertically to the left of the board for scale, showing measurements in millimeters.</p>   |

| <p style="text-align: center;"><b>Solder<br/>Board-Component View</b><br/>4</p> |  <p>A photograph of a green printed circuit board (PCB) component, likely a module, placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the board, showing measurements in millimeters from 0 to 100. The board features various electronic components, including integrated circuits, capacitors, and connectors. The text 'Solder Board-Component View' and the number '4' are centered in the left column.</p> |
| <p style="text-align: center;"><b>Antenna View</b></p>                          |  <p>A photograph of the same green PCB component, viewed from a different angle. A red rectangular box highlights a specific area on the board, which is identified as the WiFi antenna. A red line with an arrow points from the text 'WIFI Antenna' in a red-bordered box above the image to the highlighted area. The text 'Antenna View' is centered in the left column.</p>  |
