

EXHIBIT 2 - EUT EXTERNAL PHOTOGRAPHS

<p>EUT View 3</p>	 <p>A photograph showing the back view of a black, rectangular electronic device. The device is placed on a blue textured surface. A black ruler with white markings is positioned vertically to the left of the device, showing measurements in millimeters. The device features a white label with a barcode and text, a small gold-colored connector, and a speaker grille on the right side. The ruler markings are visible from 0 to 100 mm.</p>
<p>EUT View 4</p>	 <p>A photograph showing the side view of the same black electronic device. The device is placed on a blue textured surface. A black ruler with white markings is positioned horizontally below the device, showing measurements in millimeters. The device's profile is visible, showing its thickness and the placement of the label and connector. The ruler markings are visible from 0 to 100 mm.</p>
