

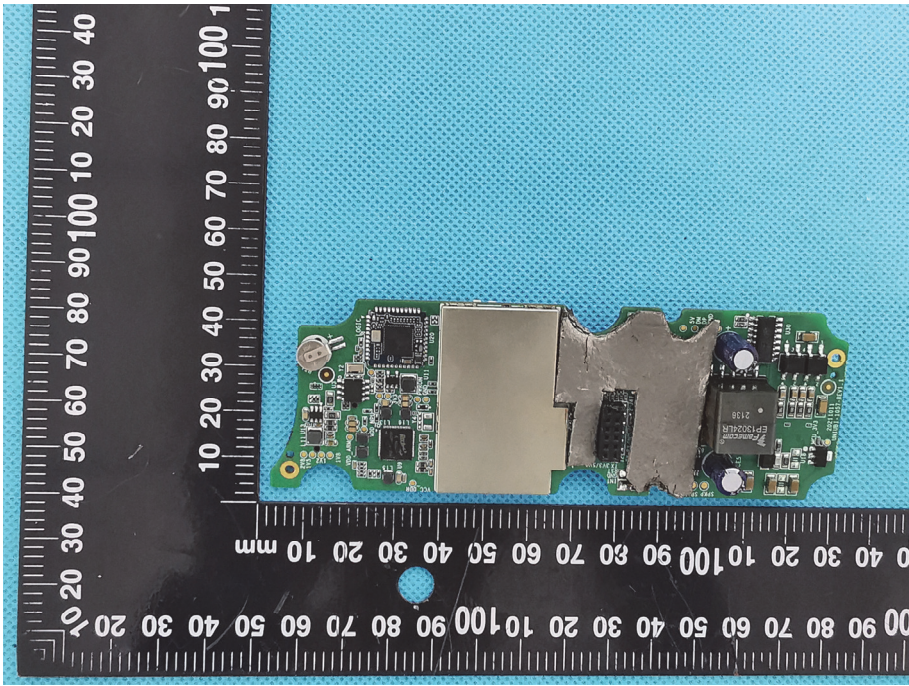

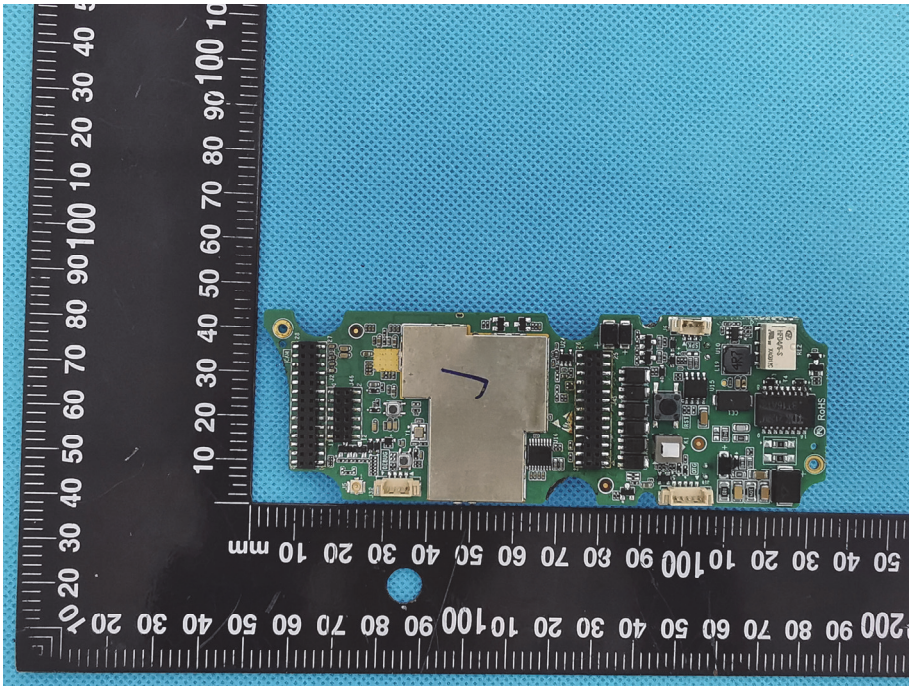

EXHIBIT 3 - EUT INTERNAL PHOTOGRAPHS

| | |
|---|---|
| <p style="text-align: center;">Solder Board-Component View 1</p> |  <p>A photograph of a green printed circuit board (PCB) component, likely a solder mask or a specific board component, placed on a blue textured background. The component is irregularly shaped and features various electronic components, including a large silver rectangular component in the center, several smaller components, and a circular component on the left. A black ruler with white markings is positioned vertically to the left of the component, showing measurements from 0 to 100 mm. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom.</p> |
| <p style="text-align: center;">Solder Board-Component View 2</p> |  <p>A photograph of the same green PCB component as in View 1, but from a different perspective. The component is oriented horizontally. The large silver rectangular component is now on the left side. The black ruler is positioned vertically to the left of the component, showing measurements from 0 to 100 mm. The ruler is oriented vertically, with the 0 mark at the top and the 100 mark at the bottom.</p> |
