FCC Warning

- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.
- Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

The device complies with FCC radiation exposure limits set forth for an uncontrolled environment.

The device should be installed and operated with minimum distance of 20cm between the radiator and your body.

This transmitter must not be co-located or operating in conjunction with any other antenna or transmitter.

This Class B digital device complies with Canadian ICES-005.

ISED Statement

- English: This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) This device may not cause interference, and (2) This device must accept any interference, including interference that may cause undesired operation of the device. The digital apparatus complies with Canadian CAN ICES-3 (B)/NMB-3(B).
- French: Le présent appareil est conforme aux CNR d'Industrie Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes: (1) l'appareil ne doit pas produire de brouillage, et (2) l'utilisateur de l'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Radiation Exposure Statement

This equipment complies with Canada radiation exposure limits set forth for an uncontrolled environment. This equipment should be installed and operated with minimum distance 20cm between the radiator & your body.

Déclaration d'exposition aux radiations

Cet équipement est conforme Canada limites d'exposition aux radiations dans un environnement non contrôlé. Cet équipement doit être installé et utilisé à distance minimum de 20cm entre le radiateur et votre corps.

Bulb FCC ID : 2AUIUWYZEP

Bulb IC : 25466-WYZEP

Remote FCC ID : 2AUIUWYZER1

Remote IC : 25466-WYZER1

IN THE BOX

- Wyze Bulb ×1
- Wyze Remote ×1
- AAA/LR03 ×1
- Manual ×1

SPECIFICATION

BULB

Model: WYZEPB4025, WYZEPB40

Size: 94.5mm×94.5mm×118mm

Rated power: 9.0 watts

Lumens: 800 lumens

Base type: E26

Working voltage: 120VAC 60Hz

Color temperature: 4000K Cool White

Compatibility: Android 5.0+, IOS 9.0+

Life expectancy: 25000 hours

Temperature(operation):-4°F-104°F(-20°C-40°C)

Temperature(storage):-4°F-131°F(-20°C-55°C)

Made in China

REMOTE

Model:WYZER1B

Battery: AAA/LR03×1

Temperature(operation):32°F-104°F(0°C-40°C)

Temperature(storage):-4°F-131°F(-20°C-55°C)

Made in China
