

## Letter of Authorization

Attn: To Whom it May Concern / Application Examiner / Review Engineer / Officer in Charge  
Re: Authorization to Apply for a "Change in Identification" per Section §2.933 of the FCC Rules

Dear Madam or Sir,

**We**, Silicon Laboratories Finland Oy, a corporation validly organized and existing under the laws of Finland, having its principal place of business at Alberga Business Park, Bertel Jungin aukio 3, 02600 Espoo, Finland,

hereby declare to have applied for and have obtained a Federal Communications Commission (FCC) grant with **FCC ID: QQQWF111** and issue date of 09/26/2012 for our Wi-Fi 802.11bgn radio module having model number of WF111, and with this letter we **grant permission** on a one-time basis to the following company:

**Tattile Srl**  
Via Donizetti 1  
25030 Mairano BS, Italy

to apply for a "Change in Identification" with FCC, in relation to the above-mentioned radio module.

We understand that Tattile Srl must make this change in order to comply with the FCC regulations that apply to their end-product called *T17950* having *FCC ID: 2AULGT17950*, and we authorize FCC and/or the appointed Certification Body to use information on file to grant the requested "Change in Identification".

We will be supplying our WF111 to Tattile Srl unmodified and equivalent to the originally certified unit. The original test results continue to be representative of, and applicable to, the equipment bearing the changed identification, which is supposed to remain identical in design and construction, while all obligations of certification will reside with the respective certificate holder. We emphasize to have no control or responsibility with regards to the proper installation and use of our module in the end-product manufactured and sold by Tattile Srl. As a result, Tattile Srl takes ownership and accountability for the compliance of their end-product.

Should there be any query regarding this authorization, please do not hesitate to contact the undersigned. Thank you for your attention to this matter.
