

PERSONAL MUSIC
WATERPROOF EARBUDS

FUTURE 100

U S E R G U I D E

PRODUCT AND SAFETY INFORMATION:

1. Use the standard USB charging cable (included) to charge your earbuds. Plug the cable into any standard USB (5V, 1A) power adapter or computer.
2. Avoid listening to music at high volume levels for extended periods of time. Exposure to high volume levels for extended periods may cause hearing damage.
3. Avoid storing the earbuds in extreme heat or cold.
4. Do not leave your earbuds immersed in water for longer 30 minutes. The IPX7 rating protects your earbuds in fresh water up to a meter deep for 30 minutes.
5. Do not attempt to disassemble, modify, or repair the earbuds.
6. Avoid excessive impact or shock to the earbuds.
7. Keep out of the reach of children or pets.
8. Do not tug on cables or touch power cables with wet hands. Avoid getting water in charging or cable receptacles.
9. Do not use the earbuds near microwaves or wireless LAN adapters.
10. Turn the device off when not in use.

11. When cleaning the earbuds, use a soft, dry cloth to wipe it clean. Do not use solvents.
12. Wipe the ear pads with a damp cloth after use and before storing. Exposure to excessive sweat, moisture, or makeup for extended periods can damage the ear pads. If damage occurs, replacement ear pads can be purchased.
13. Do not use the earbuds while driving, riding a bicycle, or walking in urban environments. The earbuds will block outside noise and may pose a safety hazard. Always use caution and maintain awareness to protect yourself and others when using your earbuds.
14. Use these earbuds only for their intended purpose.
15. This device cannot be used for purposes related to human safety as it may cause radio interference during operation.

WARNING:

Electrical and electronic equipment, parts and batteries marked with this symbol must not be disposed of with normal household waste. It must be collected and disposed of separately to protect the environment.

BUTTONS AND SWITCHES

REGULATORY INFORMATION:

FCC STATEMENT:

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

NOTE:

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following:

- Reorient or relocate the receiving antenna.
 - Increase the separation between the equipment and receiver.
 - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
 - Consult the dealer or an experienced radio/TV technician for help.
- Changes or modifications not expressly approved by SVN Sound could void the user's authority to operate this equipment.

RF WARNING STATEMENT:

The device has been evaluated to meet general RF exposure requirement. The device can be used in portable exposure condition without restriction.

Hereby, the manufacturer declares this device is in compliance with the Directive (RED) 2014/53/EU. The full text of the EU declaration of conformity is available at the following web address: **www.svnsound.com/certifications**

CHARGING:

The earbuds are not charged upon purchase and must be charged before first use.

1. Connect the provided USB charging cable to the earbuds.
2. Connect the other end of the cable to a computer.
You may also use a standard USB power adapter (5V, 1A).

DO NOT USE USB FAST-CHARGE OR PD ADAPTERS WITH GREATER THAN 5V OUTPUT OR YOU WILL DAMAGE YOUR EARBUDS AND VIOLATE WARRANTY.

ACTIVATE VOICE CONTROL:

When the phone is connected, long press Volume + (1) and Volume - (6) for 3 seconds to activate the voice control function of your phone.

TRANSFER VOICE BETWEEN EARBUDS AND PHONE

During a call, long press MFB button (3) for 1 second to switch between your earbuds and phone.
